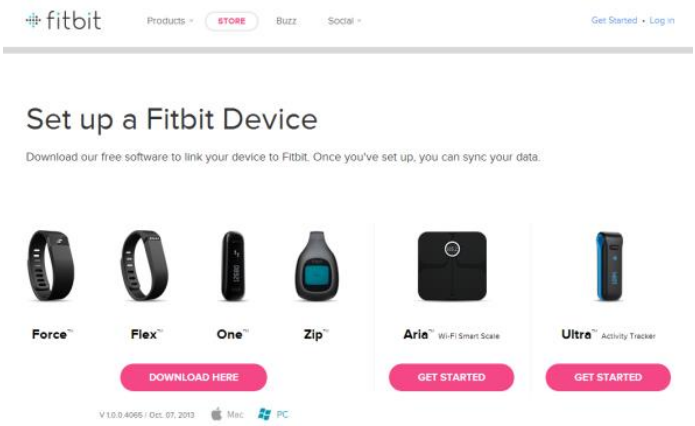
SYNC YOUR FITBIT WITH YOUR VIRGIN PULSE ACCOUNT

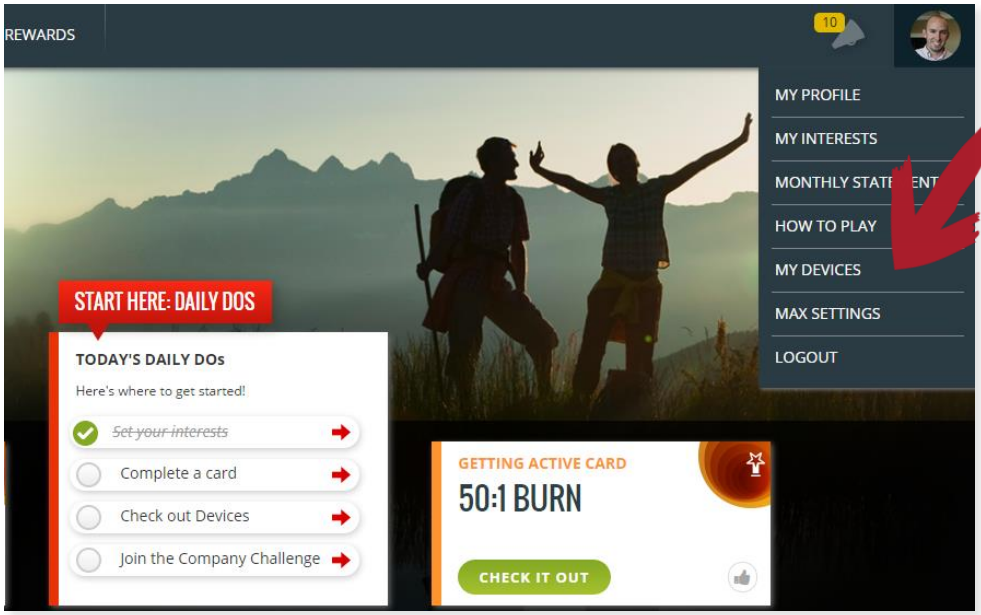
Syncing is a snap! Create seamless integration between your daily activity and your Fitbit device. Here's how:

1. REGISTER YOUR FITBIT DEVICE

Go to fitbit.com/start to set up your Fitbit Force, Flex, Zip or One. Download the free software and link to the Fitbit program. You can create a new account, or choose to sign up with your Facebook or Google Account.



2. LOG INTO YOUR VIRGIN PULSE ACCOUNT > GO TO MY DEVICES



Once your device is registered with Fitbit, log into your Virgin Pulse Account virginpulse.com/login and hover over your profile picture in the top right corner of the page. Choose 'My Devices' from the drop down list.

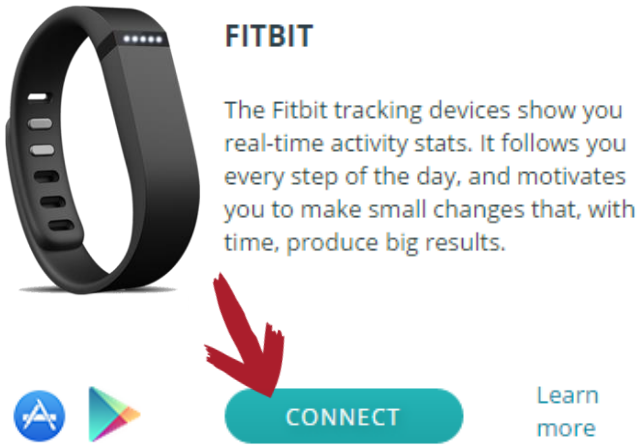
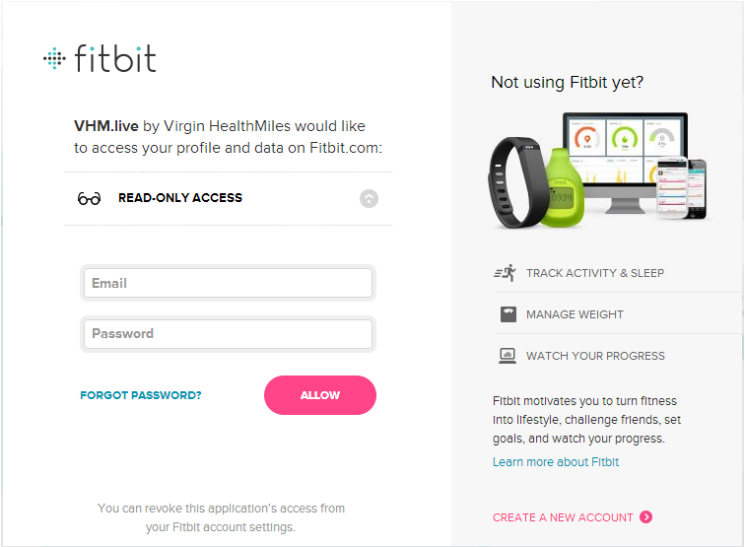
Download the Fitbit app to your smartphone to sync activity wirelessly!

3. CONNECT TO FITBIT

From the 'My Devices' page, scroll down to the box labeled 'Fitbit'. Click on the 'Connect to Fitbit' link.



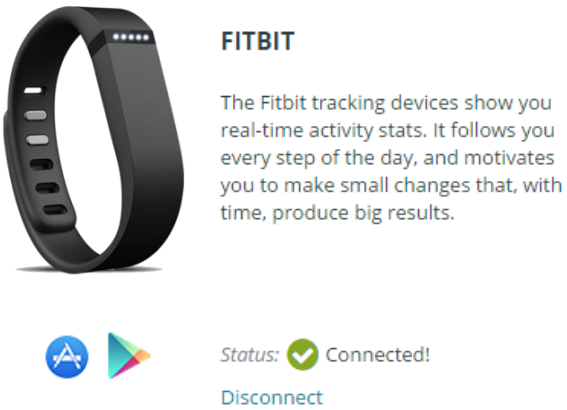


4. ENTER FITBIT CREDENTIALS

You will be brought directly to the Fitbit/Virgin Pulse application authorization page. Enter your Fitbit login details, then click 'Allow'.

5. START TRACKING THOSE STEPS!

Your Fitbit device is now connected. To see your Fitbit activity in your Virgin Pulse account, go to your Activity Journal.



6. OPTIONAL: DOWNLOAD PULSE MOBILE!

Download our all new Pulse Mobile app from the App Store or Google Play to track activity, manage challenges, and log activities. Pulse Mobile offers all the core components employees need to consistently engage with the program from anywhere, at any time.
