Whether you've just moved to the Annapolis area and checked into your new command or you recently had a newborn child, we need you to accomplish a few important steps before you enroll into TRICARE PRIME at Naval Health Clinic Annapolis.

1. Please update your information in the Defense Enrollment Eligibility Reporting System (DEERS). If you have a newborn child, you need to add him or her to DEERS. In order to complete this, you have a few options which are listed below:

Contact DEERS at 1-800-538-9552
Register with milConnect @ www.dmdc.osd.mil
Contact our ID Card facility @ (410) 293-5813/14

2. Enroll or Purchase a TRICARE Plan by completing the following:

- Visit www.tricare.mil and go to Enroll or Purchase a Plan
- Select TRICARE PRIME
- Go to Step 3 and choose BENEFICIARY WEB ENROLLMENT WEBSITE
- Log on. You will be directed to the DEERS Beneficiary Web Enrollment page. Please follow the directions to enroll into TRICARE PRIME at Naval Health Clinic Annapolis. If steps d, and e, do not work, you can visit our Health Benefits Advisor for enrollment assistance.

(Note: you must have a Command Access Card (CAC), DFAS (MyPay) Account or DOD Self-Service Logon (DS Logon) account. If you DO NOT have a CAC card or other above listed account, you can call Health Net Federal Services directly at 1-877-874-2273 for enrollment assistance and in most cases they will enroll you over the phone.)

3. Once enrolled in TRICARE, come into Naval Health Clinic Annapolis and check into our Patient Administration Department/Medical Records. Please bring in any medical records you have to be checked in. For newborns, a new medical record will be created.
