QUESTIONS?

A central graphic consisting of a silver pentagonal frame with a red and white diagonal stripe. Inside the frame is a circular area divided into four quadrants: top-left shows soccer players on a field; top-right shows a medical professional in a green coat using a handheld device; bottom-left shows an airport tarmac with an aircraft; bottom-right shows a clinical setting with a doctor and a patient. The frame is set against a background of a satellite map of the United Kingdom.
