

2015 Defense Health Information Technology Symposium – Meeting Mobile App

Blackberry, PC and Windows Phone users must go here to utilize the app <https://crowd.cc/dhits2015>

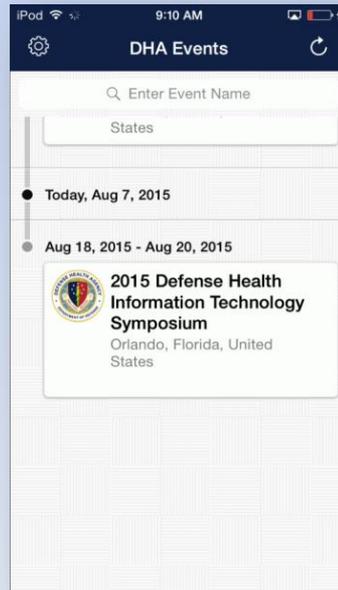

1. Download the DHA Events App to your device. This can be found in the AppStore (Apple) or the PlayStore (Android). Or, click on this link from your device <http://psav.mobi/dhaevents/>

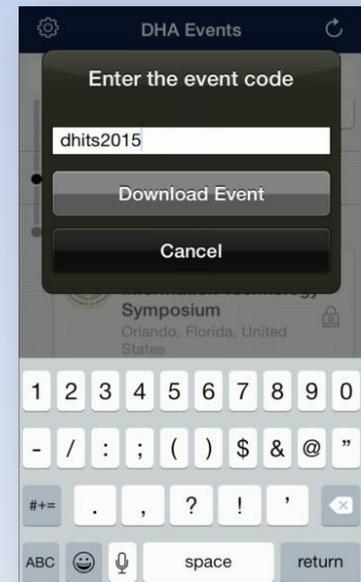

2. During your use of the app you will be asked to login. Feel Free to create a profile. It will be handy later for accessing personalized features such as my notes and networking.

3. Once downloaded click on the  icon on your home screen. You will see the DHA Events Directory page. Click the **2015 Defense Health Information Technology Symposium** event.

4. Once clicked on, the event will ask for an event code. The code is **dhits2015**. Once entered click download event and once downloaded click the event to open the app.

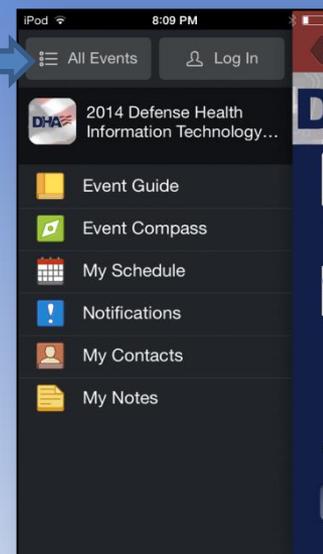

2015 Defense Health Information Technology Symposium – Meeting Mobile App

Blackberry, PC and Windows Phone users must go here to utilize the app <https://crowd.cc/dhits2015>

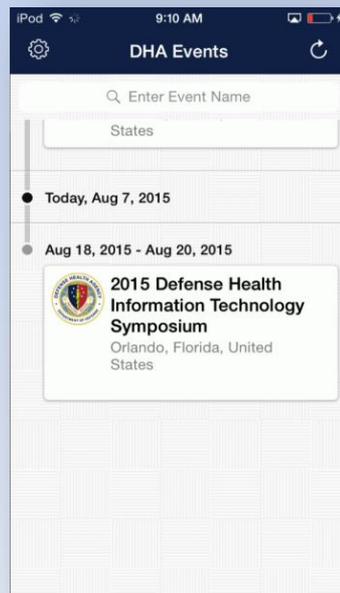

1. If you already have the DHA Events app and when you open it you see the 2014 event click the three lines in the top left to access the menu.
