SUMMER FOOD SERVICE PROGRAM

The Food and Nutrition Service (FNS) and Center for Nutrition Policy and Promotion (CNPP) are agencies of USDA's Food, Nutrition, and Consumer Services.

FNS and CNPP work to end hunger and obesity through the administration of 15 federal nutrition assistance programs including WIC, Supplemental Nutrition Assistance Program (SNAP), and school meals. These programs serve one in four Americans during the course of a year.

Visit the website, below, for more information about the Summer Food Service Program (SFSP) or if you need help providing your children or your family with a healthful diet or nutritional education.

The mission of FNS and the CNPP is to increase food security and to reduce hunger in a way that supports American agriculture and inspires public confidence.

NO AMERICAN SHOULD HAVE TO GO HUNGRY.
