DID YOU KNOW ABOUT:

SCHOOL LIAISON OFFICERS!

JBSA school liaison officers assist command families and K-12 students with a variety of school issues.

They coordinate with local school systems to help create partnerships!

Some of the goals are:

- Identify barriers to academic success and develop solutions
- Promote parental involvement and educate schools and communities about the needs of military children;
- Provide parents with the tools they need to overcome obstacles to education that stem from the military lifestyle.
