The goal of the poster session is to share best practices, in pursuit of improved patient safety and improved healthcare for all patient populations.

Criteria for selection of posters for the symposium:

- Patient safety-related subject
- Patient impact
- Use of a process improvement methodology
- Multidisciplinary team approach
- Replicability

All poster submissions are welcome. A few finalists will be selected for presentation at the symposium. Finalists are required to present the poster and attend the conference at their own expense. Finalists will be selected by a panel of judges representing multiple organizations, and will be notified by telephone or email. Finalists will need to submit a Conflict of Interest form for CME purposes. At the symposium, an award will be presented for the poster that best meets the above criteria.

Naval Hospital Jacksonville Public Affairs **will print finalists' posters and deliver posters** to the symposium. These printed posters are the property of Naval Hospital Jacksonville.

Submit your poster content (see page 2) to:

JAXPublicAffairs@med.navy.mil by the deadline of Feb. 10.

For questions, call Tami Begasse or Jeanne Casey at 904-542-7820.
