

Change of Command

Since 2013, Captain Sheherazad A. Hartzell has served as the Commanding Officer of Naval Health Clinic Annapolis. On July 24, 2015 she will be relieved by Captain Michael B. McGinnis. The Change of Command ceremony will be held in Mahan Hall at 1000, with a reception to follow in the Bo Coppedge room in Alumni Hall. The ceremony is a time-honored tradition and a moment to say goodbye to Captain Hartzell, while welcoming Captain McGinnis.
