

# Nurse Advice Line Information

Talk to a registered nurse

Get health care advice

Ask urgent care questions

Get help finding a doctor

*If you have an emergency, call 911 or go to the emergency room.*

## Do you have a sick child?

- You can talk to nurses with specialized pediatrics training.
- We will call you back after a few hours to check on your child.
- If you still need an appointment, we may be able to help.

## Are you a Midshipman?

- If you are a Midshipman and need after-hours assistance for non-emergency situations, call 410-293-2273 and select Option 1 to speak to the Duty Health Care Provider.
- If the Duty Provider is handling another call and is unable to answer, please leave a message with your contact number and your call will be returned promptly.
- Should you have difficulty reaching the Duty Provider, you can contact the NHCA OOD at 443-822-2261.
