

Naval Health Clinic Charleston's Mobile App Now Available

Naval Health Clinic Charleston beneficiaries now have access to the gold standard of health care anytime, anywhere. NHCC has launched its new mobile app for Apple and Android devices. With the touch of a button, NHCC beneficiaries can make appointments, refill prescriptions, email their doctor through secure messaging, learn about wellness classes, provide feedback, and more. The app provides links to the NHCC phone directory as well as TRICARE Online, the TRICARE Nurse Advice Line, Interactive Customer Evaluation, and to NHCC's Facebook page. Just search "NHCC App" in the App Store or Google Play Store, and click on the NHCC logo to download the app for free.
