

YUMA YUMA

The Relocation Assistance Program Team would like to congratulate you on receiving orders to MCAS, Yuma. We believe that you will find your assignment here to be a rewarding and pleasant experience. This Electronic Welcome Aboard Package (EWAP) will help you get a jump on the services that are available on base as well as some information about the local area.

We would like to recommend that you first visit your current base's relocation office and sign up for their Plan Your Move Seminar. This seminar takes away some of the stresses of moving by helping you prepare for your move. They also should be able to get you some information on NAS Miramar as well.

We hope the information and website links provided here are helpful. Yuma Dental Sponsor Program Coordinators are:
