

Navy Environmental & Preventive Medicine Unit FIVE (NEPMU FIVE)

3235 Albacore Alley (Bldg. 3235)
Naval Base 32nd Street
San Diego, CA 92136

(Located between the Navy Lodge & Housing Office)

Quarterdeck: 619-556-7070

FY16 Training Schedule

Mission

Provide external and internal education and training, ashore and afloat, while maintaining training logistical support for deploying FDPMU teams in support of operational commanders worldwide.

Services offered

CANTRAC and specialized education & training in support of DoD military and civilian personnel assigned within this unit's AOR, ashore and afloat.

For information on course registration, please contact:
usn.san-diego.navenpvntmedufive.list.nepmu5-training@mail.mil

CANTRAC/Other Courses

- DoD Pest Applicator Certificate Refresher (CIN: B-322-0017)¹
- DoD Pest Management Recertification (CIN: B-322-1074)¹
- BUMED Shipboard Pest Management (CIN: B-322-1075)

- BUMED Ship Sanitation Certificate Program (SSCP) (CIN: B-322-1100)²
- Operational Entomology Training (CIN: B-322-1077)¹
- Food Safety Managers/Supervisors (CIN: B-322-2101)
- Laboratory Identification of Malaria (CIN: B-322-2210)
- Tri-Service Food Code Orientation Training (Non-CANTRAC/Other)

Notes: ¹PMT's (NEC 8432)/Entomologists ONLY
²PMT's (NEC 8432)/EHO's ONLY

Pre-requisites

Courses have prerequisites to attend. Verification that the applicants meet these prerequisites will be required. These courses are:

CIN: B-322-0017: DoD Pest Applicator Refresher. Eligible students are PMT's (NEC 8432) and Entomologists only.

CIN: B-322-1074: DoD Pest management Category 8 Recertification Course. Category 8 Certification must current/unexpired to attend this course.

CIN: B-322-2101: Food Safety Manager/Supervisor Course. Civilian attendees must provide proof of manager/ supervisor status. This may include verification by their immediate supervisor and date hired.

CIN: B-322-2210: Laboratory Identification of Malaria. Must complete and bring to the class the Malaria Prevention and Control course (NKO catalog# NMCPHC-MPC-1.2) certificate.

CIN: B-322-1100: Ship Sanitation Certificate Program. EHO prerequisites: Completion of the following courses: Ship Sanitation Control Exemption Certificate Program (NKO# CFHP-SSCEC-1.0), Health Aspects of Marine Sanitation Devices (NKO# NMCPHC-HAMSD-1.0), Water Sanitation Afloat (NKO# NMCPHC-WSA-1.0), Shipboard Pest Management (CIN: B-322-1075), and Food Safety Manager/Supervisor (CIN: B-322-2101).

Course Quotas

Request for quotas can be made by e-mail or FAX. The request must be provided in the format below:

1. Course Title:
2. Date(s) of the Course(s):
3. Student Name (Last, First):
4. If Military, Rank/Rate/Specialty (NEC/MOS):
5. If Civilian, position/title:
6. Command/Unit/Organization/Company Name and city/state:
7. Student E-mail Address:
8. Phone Number:

Quota Confirmation: Applicant will be contacted by the Training Department within 3 working days with the confirmation, request for additional information or in-eligibility for the course.

Quota Cancellation: Please notify the Training Department immediately if the applicant is unable to attend so that quotas may be filled by other applicants.

Uniform: Uniform of the day is required for all military personnel (NSU/NWU). Civilians are required to have appropriate attire. Courses that include field training or OJT will require working attire. Specific information will be provided prior to the course convene date.

Orders: TAD / TDY orders are not required by NEPMU FIVE for personnel attending courses.

Course Information

1. All classes begin promptly at 0730.
2. Basic school supplies required (pen/pencil & notebooks).
3. No appointments/absences allowed during the class hours.

Parking:

Student parking is located at the open (unmarked) parking lot between Bldg's 268 & 270 (FFSC Bldgs) on LeHardy Street (2 blocks past Bldg 3235).

NEPMU FIVE Training Schedule (Revised: 06Oct15)

COURSE TITLE	COURSE CONTENT	CERTIFICATION	DATES	QUOTAS
B-322-1050/CDP-00CS Medical Entomology and Pest Management Technology (Reserve Trng; Initial Certification) 	Acquaints reserve personnel with biology & management of medically important arthropods & epidemiology of diseases transmitted.	On a case by case basis, can provide initial certification for PMT's <u>only</u> with elapsed DoD Category 8 certificates.	12-23 SEP 2016	Reservists on 14 days ACDUTRA; PMTs; 25 seats/class
