AUTISM

RESOURCE FAIR

14 April 1300-1500

NHB Staff Education and Training (SEAT) Center

April is Autism Awareness Month and Month of the Military Child. Come join us in connecting the pieces of the puzzle! Autism is a lifelong condition. Learn about the services & programs available which support, educate and provide therapeutic and medical services to families with autism related issues. RSVP in advance for event planning purposes. If you need reasonable accommodations in order to fully participate in this event, please contact us.

Please contact Jeanette Cruz at Jeanette.I.smith@usmc-mccs.org or (843) 228-3849 for more information.
