FLU VACCINATION CLINIC

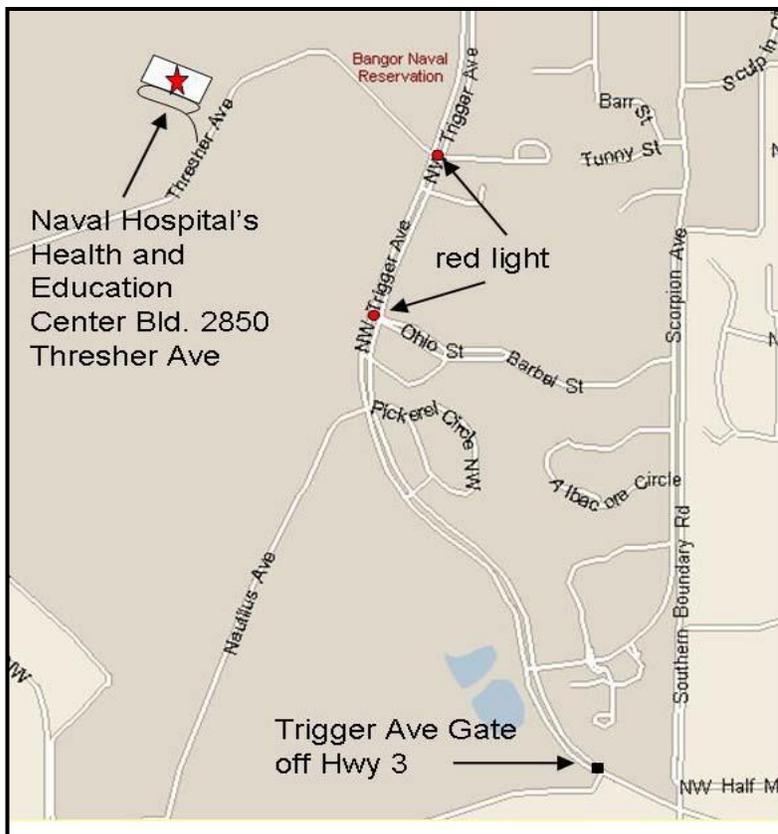

Influenza vaccinations will be available for all eligible family members of active duty and retired military at our annual Influenza Vaccination Clinic. DoD civilians and essential contractors who support the daily Navy mission will also be offered the flu vaccination at this clinic (must have appropriate ID).

The Influenza Vaccination Clinic will be at Naval Hospital Bremerton's Health and Education Center (located on Bangor, Bldg 2850, Thresher Ave) while quantities last, on the following dates/times:

October 25th-28th (Tuesday-Friday): 2:00 p.m. – 7:00 p.m.

October 29th-30th (Saturday-Sunday): Noon to 5:00 p.m.

NHB will not be offering the FluMist vaccine due to recommendation from the Centers for Disease Control and Prevention to vaccinate everyone with an injectable form of the flu vaccine this year.
