

Health Clinic Renovations slated for Branch Health Clinic, Wahiawa (NCTAMS PAC)

Commencing Monday, Apr. 18, 2011, Branch Health Clinic (BHC), Wahiawa will be getting an internal “facelift.” This renovation project will include new spaces with new equipment, cabinetry, counters, shelving and flooring. These improvements will serve to enhance the delivery of health care to the patients that are served. The project is expected to last for approximately six months.

In preparation for the renovation, health care services at BHC Wahiawa will be secured from noon, Tuesday, Apr. 12 through Friday, Apr. 15. Active duty personnel are asked to take this into consideration when scheduling health care. During this time, health care services will be provided at Makalapa Clinic: Active Duty Walk-in Clinic is open 7:30 a.m. – 11 a.m., Monday–Thursday and 8 a.m. – 11 a.m. on Friday—no appointment necessary—at the Family Practice Red Team. For medical appointments call 473-0247; dental appointments call 473-1880, ext. 3204/3205. Please refer to the printed clip and save numbers for other departments at Makalapa Clinic. For medical emergencies, go to Tripler Army Medical Center (TAMC), dial 911, or go to the nearest Emergency Department and for active duty dental emergencies call 864-4705.

During the renovation period, medical care services will be relocated to Building 401, adjacent to the gym on board NCTAMS PAC and dental services will be provided by the Naval Health Clinic Hawaii mobile dental van in the chapel parking lot, next to Building 424 on Center Street. BHC Wahiawa hours of operation will remain 7 a.m. to 4 p.m., Monday through Friday for medical services and 7 a.m. to 3:15 p.m., Monday through Friday for dental services.

Since telepharmacy will not be available during the renovation some medications prescribed by specialty or civilian providers may not be available at the BHC Wahiawa during the renovation. Patients have several options in regards to filling those specialty/civilian prescriptions; they may fill these prescriptions at Schofield Army Health Care Clinic, Makalapa Clinic, TAMC, or a civilian pharmacy. Pharmaceutical services will return to normal immediately following the renovation.

If you have any questions or would like to check medication availability, please call one of the following numbers: BHC Wahiawa front desk 653-1400, Makalapa Clinic pharmacy 473-1880, ext. 2229, Schofield Army Health Clinic pharmacy 433-2778, ext. 302 or TAMC pharmacy 433-7880.

Laboratory services will not be available during the renovation. To help minimize the impact to our patients, patients needing laboratory services will be referred to Schofield Army Health Clinic laboratory, 433-3778, ext.108 or Makalapa Clinic laboratory, 473-1880, ext. 2249.

The clip and save numbers are a good resource to have at hand when accessing health care services at BHC Wahiawa.
