

**Naval Health Clinic Hawaii participating in Citadel Pacific
2014 Exercise
(A Navy-wide Force Protection Exercise at Joint Base
Pearl Harbor-Hickam)**

Naval Health Clinic Hawaii Makalapa Clinic staff is participating in Citadel Pacific 2014 Exercise on Wednesday, Aug. 27.

- The main Makalapa Clinic (Bldg 1407) and Mental Health/SARP (Bldg 1535) will be open for patient care during regular business hours
- The Makalapa Annex (Bldg 1514) located across from the main clinic will be closed to patient care from 7:30 a.m. to 1 p.m.

To test active shooter response operations, simulated gunfire will be heard and increased security activity will take place at the Makalapa Annex on Aug. 27. We appreciate your understanding and patience.

All NHCH departments understand that there may be delays in patients arriving for scheduled appointments during the exercise.

For General Information: Patients who would like to reschedule their appointment may do so by calling NHCH Central Appointments at 808.473.0247 or online via RelayHealth at
