Your Community Cares

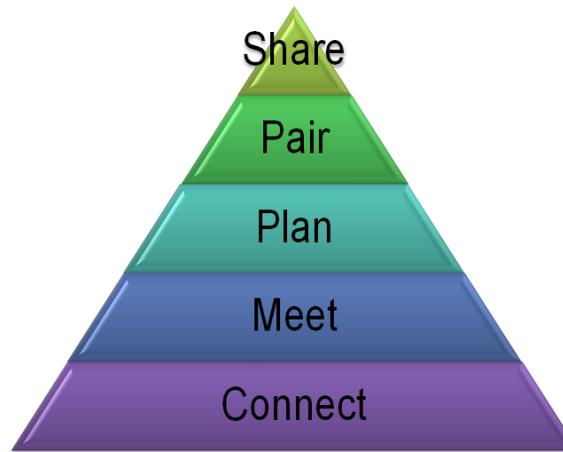

Young Families Connect is a program of the Onslow County Partnership for Children that provides support and services to young pregnant and parenting families and works to improve community conditions for young families.

Onslow County, as a community, is committed to:

- The educational success of young moms and dads;
- Children who are safe, nurtured and supported in their development;
- The health of families, including prenatal health;
- The success and self-sufficiency of families.

Connect Your Way

SHARE your knowledge with other parents through our **Group Connection** program; or share in the joy of watching your child learn and grow through our **Parents as Teachers** home based educational program.

PAIR up with a **Case Manager** for a minimum of one year of support.

PLAN for your family's future (and your own) through our **FIVE** goal planning class. Kick start your career with financial help for continuing education classes.

MEET other parents like you at **Social Events** and **Parent Education Classes**.

CONNECT with other parents like you through **Facebook** and Twitter. Borrow parenting resources and educational materials with a membership to the Onslow County Partnership for Children's Resource Center.
