

# Naval Health Clinic New England (NHCNE), Newport, RI Hours of Operation

Effective immediately, we will be closed on Sundays.

NHCNE Newport will be open Monday through Friday, 0730 to 1800 and on Saturday from 0800-1600. This decision was prompted by very low utilization of the Sunday Clinic and increased operational deployments of our medical staff. These changes will enable NHCNE Newport to maintain appointment availability for beneficiaries Monday thru Saturday by shifting staff to the most utilized days. Pharmacy, radiology and laboratory, will continue to be available whenever the clinic is open with the exception of laboratory on Saturdays, which is only open for patients seen in clinic; no walk-in lab service is available.

To access care when NHCNE Newport is closed, call the Naval Health Care New England Appointment Call Center at 1-888-NAVY MED. It is available 24/7 to assist in scheduling appointments the next clinic day, accessing a Primary Care Manager for medical advice or requesting authorization for urgent care (medical conditions that cannot wait until the next clinic day). You can also visit our web site at <http://nhcne.med.navy.mil> for information on [Urgent Care Centers](#) in your area. For true emergencies (i.e. threat to life, limb or sight), please call 911 or go to the nearest Emergency Room.

Below are the hours of operation for NHCNE Newport and the Naval Dental Clinic Newport.
