

Naval Health Care New England COMMAND ORIENTATION TRICARE BRIEF

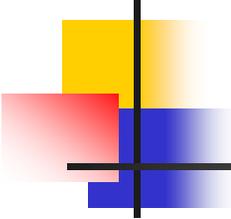

HEALTH CARE OPERATIONS
NOV 2005

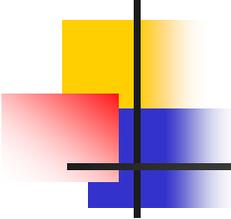

Do you need this brief?

- If you/family plan on needing any type of healthcare during your tour... you need this brief.
- If you work in any capacity at an MTF... you need this brief.

Agenda

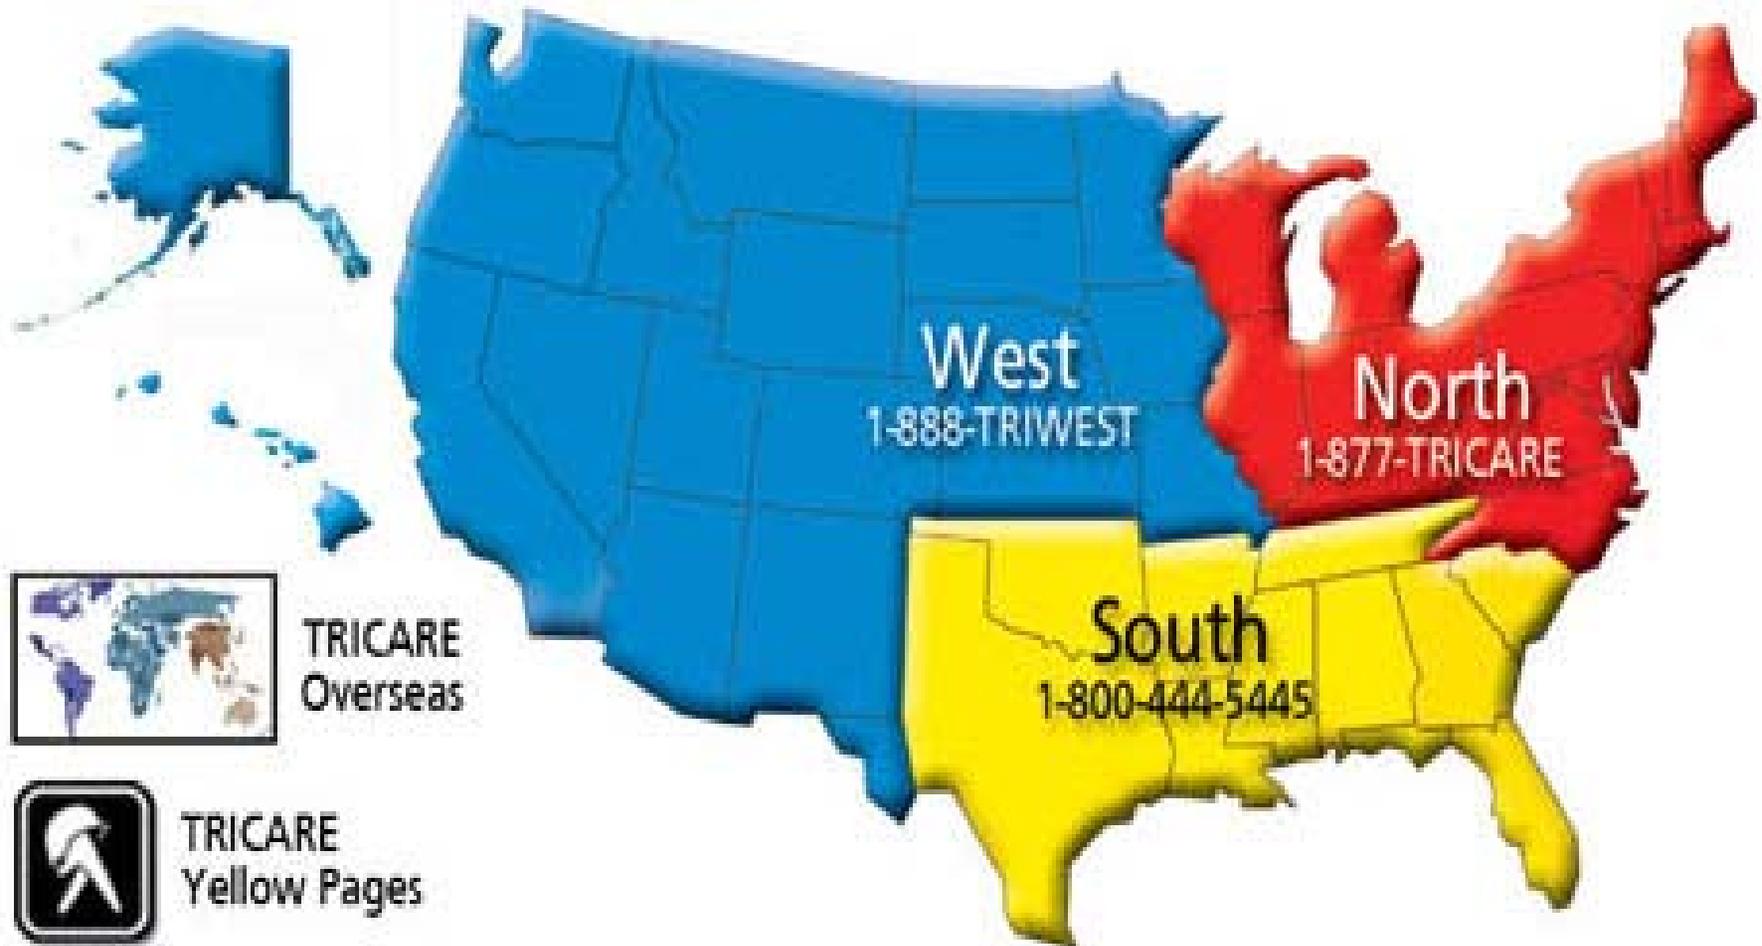

- What is TRICARE?
- How do you access primary care and specialty care in this area?
- How do you access your PCM/PCM Team 24/7?
- How do you obtain prior authorization for urgent care?
- How do you notify your PCM of an emergency visit?
- TRICARE Region North/The Business of Healthcare

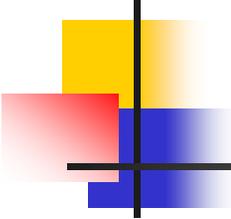

What is TRICARE?

- Military's Healthcare System (Direct Care/Network).
- Consists of three regions-**TRICARE North**, South and West.
- Health care is delivered in partnership with a Managed Care Support Contractor; **Health Net Federal Services** providing a "network" of civilian facilities and individual providers to augment the direct care system.

About Us

Naval Health Care New England is the health care system for the Navy in the Northeast Region, providing medical care to over 116,000 beneficiaries in six states. Primary and specialty care services are provided at all facilities with hospital based care provided through the partnership hospitals of Newport Hospital, Newport RI, William W. Backus Hospital, Norwich CT and Lawrence & Memorial Hospital, New London, CT.

The command headquarters is located in Newport, RI with Naval Ambulatory Care Centers at Groton, CT and Newport, RI and Branch Medical Clinics at Portsmouth, NH, Brunswick, ME and Saratoga Springs, NY.

Our facilities have varied hours of operation. Please visit the clinic location page for specific hours, or call the Appointment Call Center for more information: (888) 628-9633.

NHCNE News

NHCNE Computer Outage

We will conduct a scheduled downtime of our computer systems beginning at 2030 Thursday, 10 Nov 05 running through 0600 Monday, 14 Nov 05. During this timeframe, the **Pharmacy Refill telephone and internet system will not be available. Please plan accordingly.**

Urgent Care

- **Call the NHCNE Appointment Call Center at **1-888-NAVY MED (628-9633)** 24/7 to contact your PCM.**
- During normal business hours the PCM team will handle the call (Quick Response Nurse) and may provide you a same day appointment, advice on how to handle the immediate situation or authorize care.
- Urgent Care requires an authorization from your Primary Care Manager (PCM) prior to you seeking care or the MCSC will charge POS.

Urgent Care

- **Call the NHCNE Appointment Call Center at **1-888-NAVY MED** (628-9633) 24/7 to contact your PCM.**
- After business hours the After Hours Call Center staff will facilitate an acute appointment or contact the PCM On Call who will contact you directly.
- The PCM On Call may provide you advice on how to handle the immediate situation; suggest an acute appointment the next business day, or authorize urgent care.

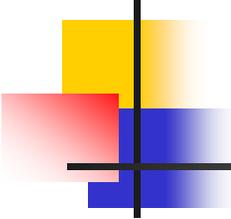

Emergency Care

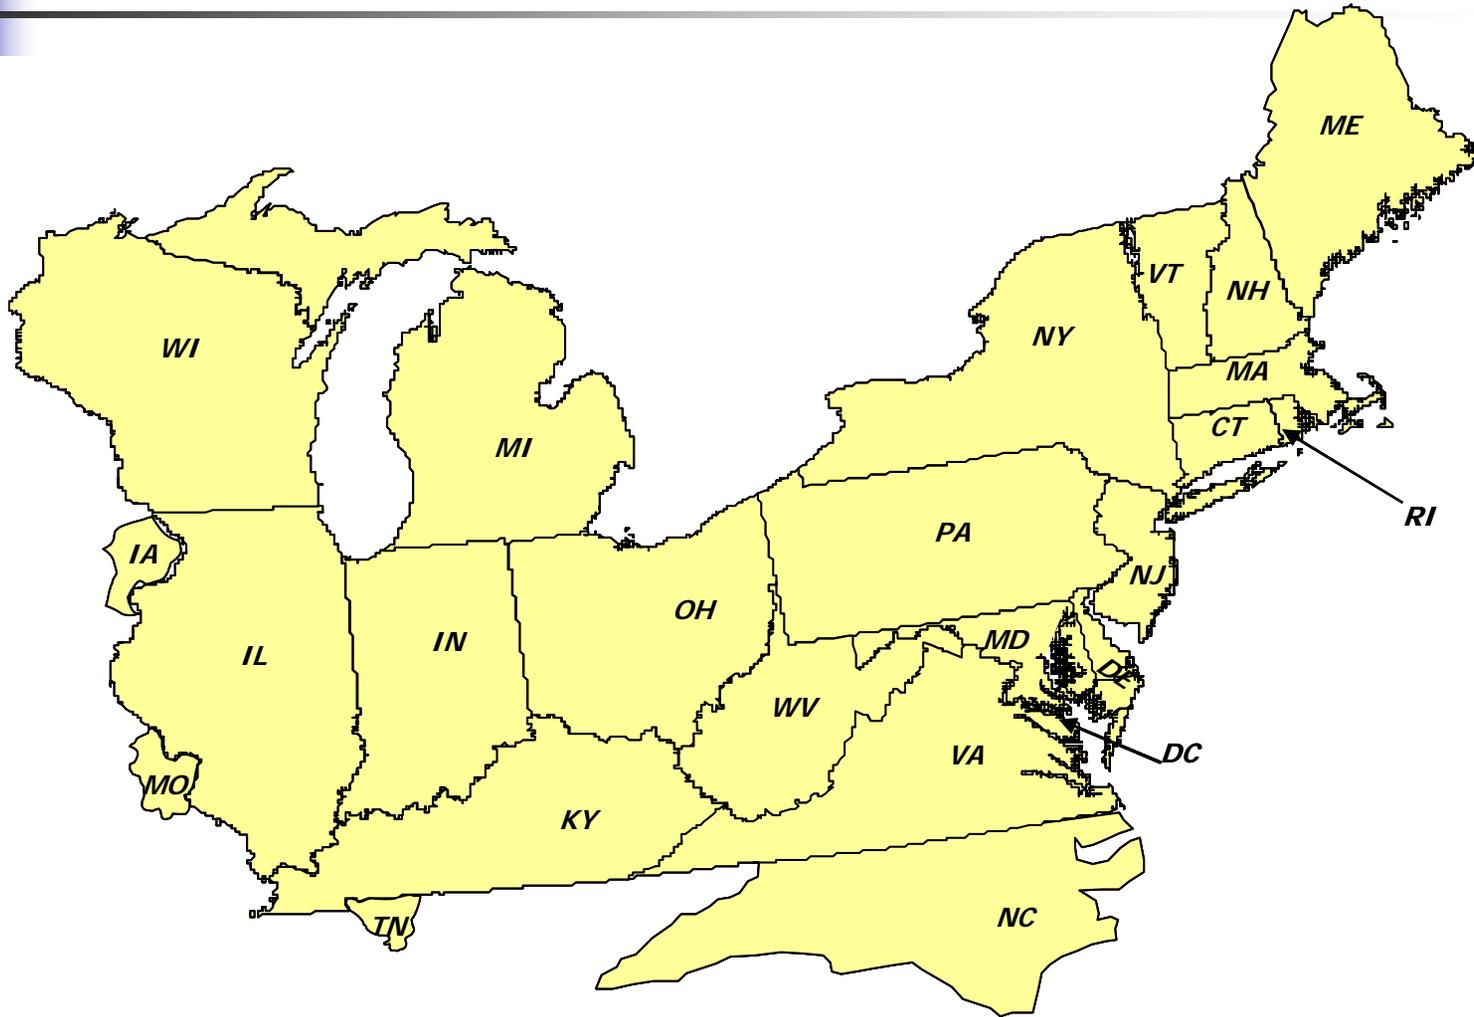

All TRICARE beneficiaries, in the event of a life-, limb-, or eyesight-threatening emergency, should call 911 or go to the nearest emergency department for care.

Emergency Care does not require an authorization.

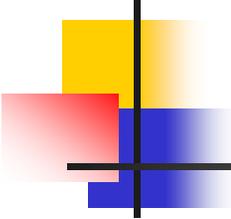

If enrolled to prime within the MTF call the **NHCNE Call Center (1-888 NAVY MED)** within 24 hours to notify your PCM of a visit to a local ER. If you are out of area contact Health Net Federal Services within 24 hours at 1-877-TRICARE to notify of an emergency admission or ER visit to coordinate continued care and ensure proper claims processing.

TRICARE Region North

“Serving Those That Protect & Defend”

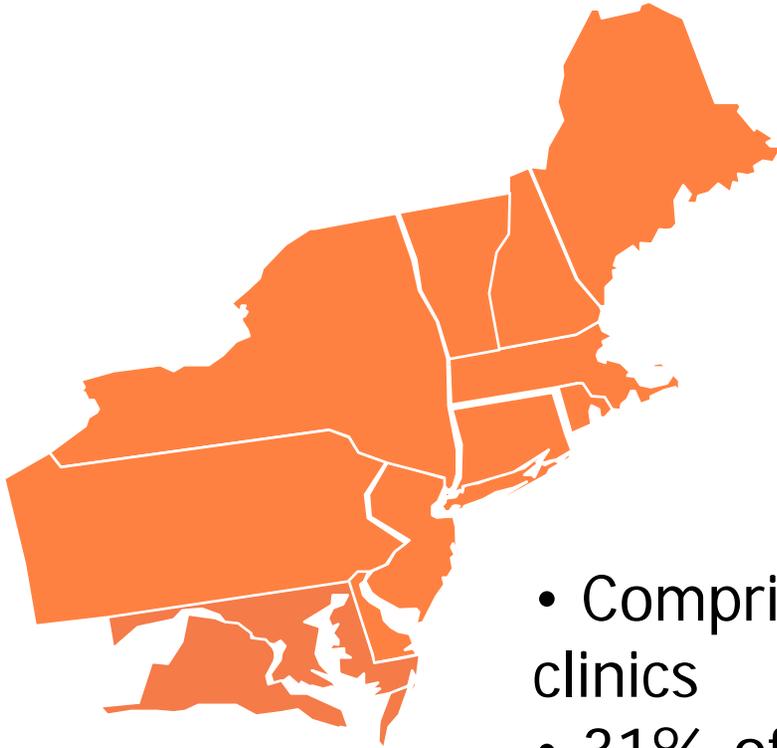

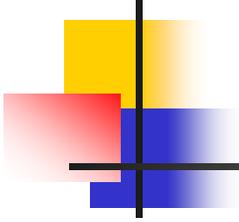

TRICARE North Region Stats

Note: Students onboard less than 179 days are not enrolled

Business of Health Care

It's about continually finding ways at every level to provide accessible, efficient, economical, high quality care as a member of the health care team, by:

- Keeping the patient and staff safe,
- Maximizing the provider's time,
- Negotiating the best price for supplies and services,
- Identifying better products or processes,
- Maintaining the facility,
- Helping patients access the appropriate level of care,
- Having the right amount and mix of labor available.

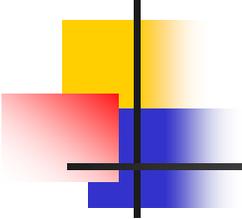

Business of Health Care

How do we mitigate healthcare costs?

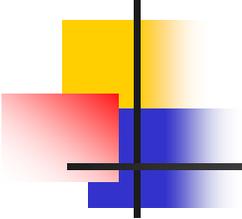

Answer: Set Workload Standards

1. Monitor Productivity
2. Improve Data Accuracy
3. Recapture Network Care
4. Improve the Value of Care

Wrap Up

- Utilize 1-888 NAVY MED to access a PCM 24/7, to make primary care appointments, notify PCM of ER visit.
- Utilize <http://nhcne.med.navy.mil> for current services and command information.
- Go to the Referral Management Office to book in-house specialty care or process a network referral.

Wrap Up

Health Net Federal Services is our health care partner.

Ensure that DEERS is current and accurate.

“The business of Healthcare is our responsibility we must mitigate healthcare costs in order to maintain the TRICARE benefit now and into the future”.
