

## **SUITABILITY SCREENING INFORMATION**

### **Requirement Information for Family Members**

The medical requirements for the Suitability Screening process are:

**Physicals for children are required.** The physical could be school, sports, or routine well child checkup but it must be within last two (2) years. Please schedule appointments for physicals with the Primary Care Manager, call 1-866-NAVYMED (1-866-628-9633).

**PAP and/or Mammogram** with results for females over the age of 16 years are recommended. PAPs and mammograms are only required if medically indicated (Per BUMEDINST 1300.2). However, our providers require that you have a current pap or well woman examination waiving the PAP exam. Mammograms are required if you are over 40 years. Call appointment line to schedule appointment with Primary Care Manager.

**Immunizations**, both routine and country specific, are required. Vaccinations can be obtained in the Immunization Clinic. Children require the routine immunizations for their age. Adults require current tetanus and PPd. Specific immunizations may be required if there are specifications from the Center for Disease Control to vaccinate against certain diseases in that particular area or country. A Credentialed Healthcare Provider authorization is required before family members are vaccinated in the event vaccinations other than routine are administered.

**Summary of care** for chronic medical conditions is required. See Handout for summary of care information.

**EFMP enrollment packet-** A copy of the enrollment packet is required, if there is a chronic medical condition. A Summary of Care from the treating physician or Primary Care Manager is required, if there is a chronic medical condition and those medical conditions requiring specialty care.

**Family members** must have a completed dental screen from the main side Dental Clinic or their civilian dentist. A Dental record will be initiated if the screening is completed at the main side Dental Clinic. If your family members are seen by a Civilian Dentist please obtain a copy of most recent x-rays and last visit. If further treatment will be required please schedule an appointment at the main side Dental Clinic by calling (703) 784-2802. Please provide a summary of required treatment to the main side military Dental Clinic when coming for your appointment. A military dental officer must sign the Dental Screen, if further treatment is required from the gaining (overseas location) Dental Clinic.

An inquiry must be done whenever there is a medical condition that will require monitoring or treatment at the gaining command. In this case, Exceptional Family Member Program enrollment is required.
