- o A series of four classes designed to help you understand the normal birthing process, medical interventions associated with birth, and comfort measures to get you through the labor process. One class is dedicated to giving you the best start with breastfeeding, and an overview of postpartum and newborn care, safety, and good tips to manage a fussy baby.

- **Class 1** - Warning signs of late pregnancy, relaxation techniques to help you manage labor, an overview of the labor process, and a tour of Labor and Delivery
- **Class 2** – Stages of Labor, Hospital Routines, and Medical Interventions
- **Class 3** - Postpartum and Newborn Care, including Infant Safety. Learn the basics of infant CPR, how to help a choking baby, and car seat safety.
- **Class 4** – Breastfeeding Basics

**PARTNERS ARE HIGHLY ENCOURAGED TO ATTEND ALL CLASSES**

**Childbirth Education Series Location: Naval Hospital Oak Harbor  
Special Delivery Unit Conference Room**

Plan to attend all four classes, or if you wish, pick the ones that will benefit you the most.

### Budgeting for Baby

Taught by a Navy Marine Corps Relief Society volunteer

Review budgeting techniques and discuss the different expenses that are associated with your new arrival and how best to prepare for them. Discuss infant car seats and furniture, layette and nursery needs, social security number for baby, wills, power of attorney needs, childcare costs and more.

**Location: BLDG 13 Seaplane Base**

Receive a free "Junior Sea Bag" (layette) after attending this class; includes a hand-made blanket or sweater made by a NMCRS volunteer, crib sheets, onesies and more, all nestled together in a bag\*
