Date: July 17, 2012

Public Announcement

Joint Service Walk-In Sports Physicals at Kadena Clinic

CAMP LESTER—U.S. Naval Hospital Okinawa (USNH) and the 18th Medical Group (18 MDG) will offer walk-in sports physicals at the **Kadena Medical Group Clinic (Bldg. 626)** on **Saturday, August 11 from 8:00 a.m. to 12:00 p.m.**

The annual walk-in clinic for sports physicals is a joint effort to offer a convenient way for parents to prepare youth sports participants for the upcoming school year. The event is open to children 6-17 years old eligible for care at military medical facilities in Okinawa.

Students need to bring all necessary forms required for each sports activity and their most up-to-date immunization record to be reviewed. All participants are required to wear athletic gear (gym shorts, t-shirt or tank top, and athletic shoes) and must be accompanied by a parent or guardian.

-MORE-

If it is more convenient, parents can schedule a routine appointment with their Primary Care Manager (PCM) to complete the sports physical.

Additionally, sports physicals can also be completed during routine well child visits at Pediatrics or Family Medicine clinics. Parents simply need to bring all the necessary paperwork with them to their appointment.

For more information regarding sports physicals, contact:

- **Lester Family Medicine Clinic** **643-7517**
- **Kadena Family Practice** **630-4060**
- **Kadena Pediatrics** **603-4817 (press 1 then option 2)**
