

**DoD HIV/AIDS Prevention Program (DHAPP)
Activity Report
October – December 2005**

NIGER

DHAPP staff members have maintained contact and collaborative interaction with military officials and US Embassy staff in Niger to plan for future activities of the HIV/AIDS prevention/education program for military members in their country. As of this reporting date, no proposal for continued military assistance has been received for consideration by DHAPP; therefore, at this time, no funding has been sent to Niger.
