

AIDS IS HERE

OFFICERS, SOLDIERS, CIVILIANS:
IT CONCERNS US ALL

LET US PROTECT OURSELVES
BY SYSTEMATICALLY AND
CORRECTLY USING A CONDOM

[PISTOL] = AIDS VIRUS

[BULLETPROOF VEST] = CAUTION
PLUS
TWO CONDOMS

THE CONDOM IS THE
ONLY TRUE WEAPON
AGAINST AIDS!

PRECAUTIONS TO TAKE
FOR PROPER USE OF
A CONDOM

Never use a condom past its expiration date

Be careful with fingernails and rings when opening the wrapper; never open with teeth or any sharp object

Never unroll it onto the penis without 'pinching the tip'

Never use oil or any other lubricants with the condom

Avoid contact between the penis and the partner's body before wearing the condom

Never reuse the condom and never wear more than one at a time

Do not expose the condom to heat, humidity or solar rays

Keep all condoms out of the reach of children

GUINEAN ARMED FORCES
ARMY HEALTH SERVICES

PERMANENT
PROTECTION
OPERATION

"THE SOLDIER PROTECTS THE POPULATION, THE
CONDOM PROTECTS THE SOLDIER"

Here is how to use it correctly
