

Conflict of Interest Course

A new CITI Mini-Course, "Conflict of Interest," is now available to all Department of the Navy personnel. This mini-course provides information to assist personnel in meeting NIH/PHS Conflict of Interest training requirements. Modules 1 and 2 provide training on NIH/PHS regulations related to financial conflicts of interest. Module 4 is an optional module that provides training on conflicts of commitment and institutional conflicts of interest.

This Mini-Course is NOT MANDATORY for Department of the Navy personnel. Rather, it is being provided as a resource to assist personnel in understanding NIH/PHS Conflict of Interest policies and regulations.
