

Checklist for Patients Entering Level 3 Treatment

Our facility is located in building 104 on the Naval Medical Center Portsmouth compound (not inside the hospital). Please ask the gate guard for directions to the base gym and we're across the street from the gym and barracks area.

Check in Day/Time: Wednesdays at 0700 with command escort

The following items are needed by every patient. A more detailed list can be found in our Welcome Aboard Package.

- TAD Orders for the duration of treatment (approx 35 days/5 weeks, for active duty only)**
- CAC card (Photo ID for dependents)**
- Most recent LES/Those that receive BAS will need \$12 a day for meals at the galley**
- Proper uniform items/Civilian clothes**
- Hygiene products that do not contain alcohol**
- No Personal Electronic Devices (with the exception of iPods or mp3 players that do not have internet access)**
- All personal appointments must be taken care of prior to start date or after completion date. (i.e., court dates, medical, or family appointments)**
- Travel itinerary/TPU orders for personnel stationed outside of the area**
