

Welcome to SARP Portsmouth!

We are glad you will be joining us for treatment, and are hopeful that you will find what you are looking for in the coming weeks.

Please be aware that the **Level 2 SARP Program** has recently undergone an expansion in order to better meet patient needs. The following schedule is currently in effect:

All Level 2 patients will attend group **Monday through Saturday 0730-1530**. Sunday is the only day that is not a treatment day.

Following 1600 muster you are released for the treatment day. However, you are **required to attend 7 AA/NA/Self-Help meetings per week after the treatment day concludes**. Attendance at these meetings will likely need to take place after the treatment day and will therefore result in an inability to commit to other responsibilities (e.g. occupational or childcare duties) in the evenings. Meetings can run 2 hours in length.

Please make arrangements for any responsibilities you may have during your **5 week treatment program**.

Checking into treatment you are required to be in duty uniform of the day.

Your Dress Uniform of your required Branch of Service will be needed on your last day of treatment.

If you have any questions or concerns about this schedule please contact Ms. Lisa Green at 757-953-9985.
