

## **NMCP Radiation Oncology Patient Comments:**

“Every day, any time, it seemed as if I was everyone’s #1 concern! I thank you so much! It means a lot to a person.”

“I had a choice to go to Sentara Hospital in Hampton for treatment. Instead I opted to drive an additional 22 miles to be treated by the professional staff at Portsmouth Naval Hospital. Thank you.”

“I would like to thank the whole staff for the outstanding service given to me – warm welcomes in the morning, calling me to make sure I don’t miss my appointments, and the very pleasant attitudes that made me so comfortable. Thanks!” -- Warren –

“Thank you for your outstanding service – always timely, prompt, and to a high degree of excellence. My confidence in the services during my stay has been in all ways assured by all involved. Thanks for a job well done.”

“Words can’t state the outstanding services I received. Everyone involved was very professional and showed concern about the services and treatment I received. Again – outstanding and excellent.”

“Thanks to all in Oncology. I am so grateful for your professionalism and your care and concerns during treatments while I was here.” -- Skip –

“From the moment you walk in you feel at peace and that is thanks to a wonderful staff... I could not have asked for better care. I will miss the team... Keep up such wonderful work!!”

“Outstanding treatment team. Kept me upbeat when I was down – super people! Love them all! Thank you so much !!”
