

Transitioning from Pediatrics to Adulthood

Are You A Parent, Advocate, Or Provider
Of A Military Child With Disabilities,
Disabling Medical Conditions,
Or Other Special Needs?

**IF YOU ANSWERED YES,
YOU NEED TO ATTEND
THIS
WORKSHOP!**

Per laws in most states, at the age of majority (which is 18 in most states) an individual becomes an adult, regardless of disability. This training provides timely information and awareness of pertinent issues for consideration as the special needs child transitions from childhood to adulthood.

**Naval Medical Center,
Portsmouth
2nd Floor, Bldg 3
Classroom 3
Thursdays,
31 May 2012
and
11 October 2012
Time: 0900 to 1500**

Sponsored by:

Naval Medical Center Portsmouth
Department of Pediatrics/
Neurodevelopmental Pediatrics
