

Sleep Foam Wedge Pillow

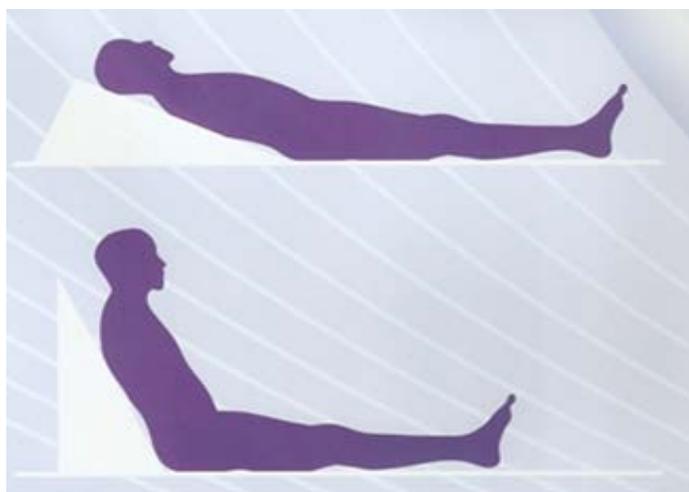

- Benefits:
 - ❖ Air passages open, to allow more oxygen to enter the lungs, as well as reduce snoring.
 - ❖ Helps with acid reflux, snoring, allergies and/or any other condition which breathing can be impaired during sleep.
- Where can you get one?
 - ❖ Wedge pillows come in various sizes, materials and prices. Many common in-store retailers (Wal-Mart, Target, Sears, etc.) and online companies (Amazon, eBay, etc.) sell numerous options ranging from \$20.00 to \$120.00.
