SUBJ/2013 NAVY SURGEON GENERAL'S BLUE H HEALTH PROMOTION AND WELLNESS RMKS / TYCOMS  
ARE REQUESTED TO FORWARD THIS MESSAGE TO ALL UNITS UNDER THEIR COGNIZANCE. // RMKS/

1. The Navy Surgeon General proudly announces the winners of the 2013 Blue H - Navy Surgeon General's Health Promotion and Wellness Award, managed by the Navy and Marine Corps Public Health Center (NMCPHC). The Fleet category recognizes excellence in workplace health promotion policies, activities and outcomes. The Medical Treatment Facility category recognizes excellence in clinical primary prevention services, community health promotion, and medical staff health. The Semper Fit version recognizes excellence in Marine Corps community health promotion by Semper Fit Centers.

Health topics covered include alcohol abuse prevention, injury prevention, nutrition, physical activity, psychological health, sexual health, tobacco cessation, and weight management. Awards may be earned at three levels:

Gold Star, Silver Eagle, and Bronze Anchor. Every organization that applied received at least the Bronze Anchor level award. Commands that achieved a minimum of 50 percent of available points for every topic earned the Silver Eagle level award. Commands that achieved at least 50 percent of available points in every topic, achieved key must-do criteria and also achieved 80 percent of the total available points, earned the Gold Star level award.

2. Primary prevention policies and activities in Department of the Navy workplaces, communities, and medical treatment facilities are critical to maintaining a fit and ready force. Reducing behavioral risk also enhances individual quality of life and reduces long-term health care costs.

3. The Navy Surgeon General commends the following 281 commands for a job well done, and invites all commands to participate in the Blue H in 2014:
