From: Commanding Officer, Navy Environmental Health Center

Subj: NAVAL RADIOACTIVE MATERIALS PERMIT (NRMP) INFORMATION NOTICE
2002-01: NOTIFICATIONS AND REPORTS FOR REPORTABLE EVENTS

Ref: (a) OPNAVINST 6470.3 series

1. This information notice is issued to remind Permittees of the Navy's reporting and notification procedures in accordance with the Naval Master Materials License Program requirements as stipulated in reference (a).
2. Direct communication with the Nuclear Regulatory Commission will be conducted only by the Chairman of the Naval Radiation Safety Committee (NRSC) or the designated representative on policy matters, or the Technical Support Centers (TSC) for administrative or technical matters. The Executive Secretary (OPNAV-455), CAPT David Farrand, is the designated NRSC representative. The Navy Environmental Health Center (NAVENVIRHLTHCEN) is the TSC for medical and research NRMP programs.
3. All reportable events should be reported to the NAVENVIRHLTHCEN Radiation Health Team Leader, LCDR Pamela Fetherston at DSN 377-0766 or (757)-953-0766. For after hours or on weekends, a contact number will be provided via voice mail to assist with emergencies.
4. The Radiation Safety Officer shall ensure that their Radiation Safety Committee and Permit radiation workers (i.e., radiation safety personnel, authorized users, nuclear medicine technicians, etc.) are briefed on this information notice and reporting criteria and notification procedures as stipulated in their NRMP. Verification of this briefing will be made during subsequent NAVENVIRHLTHCEN inspections of NRMP programs.
5. For additional information, please contact LCDR P. T. Fetherston , at the above listed phone numbers or E-mail fetherston@nehc.med.navy.mil or Fax (757) 953-0670.
