

# “Ophthalmology for Primary Care and Operational Providers”

Friday, November 7<sup>th</sup>, 2014 0730-1600  
Naval Medical Center San Diego Auditorium

*Symposium hosted by:  
NMCS D Department of Ophthalmology*

**TARGET AUDIENCE:** Primary Care Providers, General Medical Officers, Optometrists, Nurses, Physician Assistants, Independent Duty Corpsmen, any Health Care Providers in a Primary Care or Operational Medicine Setting.

**DATE:** November 7<sup>th</sup>, 2014    **TIME:** 0730-1600 PST

**LOCATION:** NMCS D Auditorium, Building 5  
(Onsite registration at the door)

## **LEARNING OBJECTIVES:**

\*Learn or review basic eye anatomy and physiology, common ophthalmic disease presentations in primary care, and early management for eye or eyelid trauma

\*Identify common ophthalmic manifestations of systemic disease and medication use

\*Become familiar with the current technology and capabilities of military refractive surgery

\*Develop skills to improve interdisciplinary care planning, management, coordination, and follow-up of patients with eye disease

\*\* Naval Medical Center San Diego (NMCS D) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

\*\*The Naval Medical Center San Diego designates this live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

\*\*This course is approved for continuing education credit by Naval Medical Center, San Diego, an approved provider of Continuing Nursing Education under the California Board of Registered Nursing Provider # 00916 for 8 contact hours.

\*\*No commercial support will be used in conjunction with this CME activity and any food/refreshments will be provided by the Department of Ophthalmology.
