

**DEPARTMENT OF OBSTETRICS AND GYNECOLOGY
NAVAL MEDICAL CENTER SAN DIEGO**

BENIGN GYNECOLOGIC SURGERY (GYN)

Location: Clerkship will be served at Naval Medical Center, San Diego

Duration: 4 weeks or 2 weeks in combination with another departmental clerkship

Clerkship Description: Students will be a part of the inpatient gynecology team made up of a board certified obstetrician gynecologist and OBGYN residents. They will participate in the outpatient and inpatient care of patients with surgical gynecologic disorders to include the preoperative assessment, surgical procedure and post-operative care. Additional opportunities for education include morning rounds and departmental conferences.

The students will be expected to take OBGYN call approximately one night per week.
