Housing

Camp Pendleton's BAH rates are based on Oceanside, CA 92058. All personnel are urged to verify the current rate for pay grade and dependent status prior to execution of orders. NEMTI is on the northern most end of Camp Pendleton and sits on the Orange County boundary where housing costs can be significantly higher than BAH rates. Many NEMTI personnel reside in Oceanside, Temecula, Fallbrook, Winchester, San Diego and Riverside which usually have lower housing costs, BUT have a significant commute time due to NEMTI's remote location. All personnel are highly encouraged to speak with their sponsor or the Senior Enlisted Advisor before execution of orders.

Camp Pendleton's Joint Housing Office is located near the Main Gate at 98 San Jacinto Road. They offer housing referral services and counseling for those choosing to live off-base as well as applications for the various housing communities onboard Camp Pendleton.

All housing districts onboard Marine Corps Base Camp Pendleton are Public/Private Venture (PPV) - a partnership between the Marine Corps and a private company for the management of family housing. Camp Pendleton has two property managers, Lincoln Property and Hunt Property Management which builds, renovates, maintains and manages the family housing communities on Camp Pendleton. Information regarding the various housing communities and their amenities can be obtained at the Joint Housing Office.
