Basic Travel Entitlements

Pay and Allowances for travel is based on an individual meeting specific eligibility criterion. Check with your disbursing office to determine your specific entitlements.

Advanced Pay and Allowance

Advanced pay can be drawn up to 60 days prior to your move. No more than three months of advance pay can be drawn and must be approved by your Commanding Officer. The advance is normally repaid in equal installments over 12 months. In certain cases, repayment can be spread over 24 months. If an advance for rental housing is needed, an advance housing allowance may be issued by the disbursing officer. You must have already rented housing and must provide a copy of the rental agreement to document the housing costs.

Dislocation Allowance (DLA)

Active Duty personnel are entitled to a Dislocation Allowance to offset some of the costs of closing one home and setting up another. These costs include rent deposits, utility hookups, etc. DLA can be drawn up to 10-days in advance.

DLA is not available to service members who:

- are without family members and are assigned to unaccompanied government quarters.
- are transferred to a new duty station or to the same geographical location.
- on separation or retirement orders.

Per Diem Allowance

Refer to the Per Diem Rates chart for exact amounts.

Along with the DLA, food and lodging costs are reimbursed when making a Permanent Change of Station (PCS) move. The allowance is paid at a daily rate for you and your family members. Auto travel is at the rate of 350 miles per day (not to exceed the official authorized distance) and is used to determine how many days per diem will be paid.

Note that per diem may be drawn in advance. The Per Diem Allowance for:

- Service members is \$99 per day, plus \$74.25 per day for their spouse and each family member at least 12 years or older and \$49.50 for family members under age 12.
- Spouses who travel separately, receive \$99 per day (the per diem for other family members traveling separately is \$74.25 or \$49.50, depending on their age).

Note: These are not official rates.

Mileage in Lieu of Transportation (MALT)

- 15 cents/mile
 - Service Member (alone)
 - Family Member (alone)
- 17 cents/mile
 - Service Member + 1 Family Member
 - 2 Family Members
- 19 cents/mile
 - Service Member + 2 Family Members
- 20 cents/mile
 - Service Member + 3 or more Family Members
 - 3 or more Family Members

These rates also apply to a second car, when use is authorized. Approval for usage of three Privately Owned Vehicles (POV) is required in advance.

Temporary Lodging Expense (TLE)

TLE is for PCS transfers within the United States. Access FAQs and answers about TLE. TLE provides service members up to \$180 per day (for ten days) to offset temporary housing costs incurred locally, before departing for an old duty station or after reporting to a new duty station. Personnel going overseas are entitled to TLE for five days. The actual TLE is figured by a complex formula and is different in each area. You must check into your command upon arrival in order to be eligible. TLE cannot be drawn in advance.

Basic Allowance for Housing (BAH)

Basic Allowance for Housing rates are set by the Per Diem, Travel and Transportation Allowance Committee.
