

## Mission

We educate, train, and support medical department personnel to enable readiness, wellness, and health care to Sailors, Marines, their families and all others entrusted to Navy Medicine, be it land or sea.

## Vision

Global leaders in health education and training

## We Are

- **Relevant** - our products and service best prepare those we serve for current and future missions.
  - **Responsive** - agile and adaptive to meet emerging requirements.
  - **Requested** - sought out for expertise, relevance, and responsiveness.

# **Navy Medicine Professional Development Center**

*Global Leaders in Health Education and Training*

Navy Medicine Professional Development Center, (NMPDC) located in Bethesda, Maryland, is the cornerstone of Navy Medicine's professional development training and education mission; maintaining collaborative relationships with more than 100 military and civilian higher learning institutions while supporting 3,000 federal uniformed service, civilian, and allied foreign military members annually. NMPDC is an echelon-four command reporting to Navy Medicine Education and Training Command, San Antonio, Texas.

## **Educational Programs:**

- Naval Postgraduate Dental School (NPDS) is the only DOD centralized site for postgraduate dental education where it conducts the Maxillofacial Prosthetics Technician C-school and post doctoral dental specialty training and specialty board eligible training in:
  - Endodontics
