Subj: ANNOUNCEMENT OF MEDICAL SERVICE CORPS FISCAL YEAR 2015 DUTY UNDER INSTRUCTION PROGRAM FOR FULL-TIME OUTSERVICE/FULL-TIME INSERVICE DEGREE AND NON-DEGREE PROGRAMS AND APPLICATION PROCEDURES

Ref: (a) MILPERSMAN 1301-902
(b) OPNAVINST 1520.23B
(c) DoD Instruction 6000.13 of 30 Jun 1997
(d) DoD Instruction 1322.10 of 29 Apr 2008
(e) CNO Washington DC 061710Z Aug 2007 (NAVADMIN 195/07)

Encl: (1) Medical Service Corps Fiscal Year 2015 Duty Under Instruction Opportunities
(2) Sample Application Letter for Degree Training
(3) Sample Application Letter for Non-Degree Training
(4) Acronyms

1. Purpose. To announce the availability of training opportunities for Navy Medical Service Corps (MSC) officers in fiscal year (FY) 2015 and provide information concerning application procedures per references (a) through (e) and enclosures (1) through (3). Enclosure (4) contains a list of acronyms.

2. Cancellation. BUMEDNOTE 1520 of 11 Apr 2013.

3. Background

a. Full-time Duty Under Instruction (DUINS) for MSC officers provides the necessary preparation to meet critical education and training needs, thereby enabling the MSC to fulfill its mission and benefit the Navy and the individual by:

(1) Ensuring higher levels of professional knowledge.

(2) Providing incentives for recruitment and retention of personnel with ability, dedication, and capacity for growth.

(3) Recognizing educational aspiration of individuals through advanced degrees and certification programs.

b. MSC officers who participate in full-time DUINS receive full pay and allowances of their grade. The Navy Medical Department pays the tuition.

4. Selection

a. Per reference (b), Commander, Navy Personnel Command convenes the MSC DUINS selection board annually. The FY 2015 DUINS Board will convene in September 2014 to select officers as primary and alternates for participation in Full-Time Outservice (FTOS), Full-Time Inservice (FTIS), and Non-Degree Programs. Enclosure (1) provides a listing of available opportunities. Individuals may apply for more than one program.

b. The Bureau of Medicine and Surgery (BUMED) decides the number of officers to be selected for training after a review of current and projected inventory, end-strength needs, training billet availability, and accession projections from all sources.

c. Per reference (b), selections will be based on quality of application, command endorsement, academic capability, professional performance, promotion potential, physical readiness, and individual assignability to a subspecialty-coded billet for at least one utilization tour following DUINS.

5. Active Duty Obligation (ADO)

a. Per reference (c), ADO for a degree program (master or doctoral degree), shall be 3 years for the first year or any portion thereof, and 6 months for each additional 6 months or portion thereof.

b. Per reference (c), ADO for a non-degree program (fellowship or post-doctoral certificate program), shall be 2 years for the first year or any portion thereof, and 6 months for each additional 6 months or portion thereof.

c. Per reference (e), officers in educational programs at Naval Postgraduate School (NPS), civilian programs associated with NPS, and Washington, DC interns will incur a maximum of a 3-year obligation after completion of education.

d. Obligated service for previous government sponsored/funded education programs will be served consecutively with any additional obligated service incurred from a DUINS selection.

e. Obligated service resulting from Navy-sponsored tuition assistance will be served concurrently with the obligated service incurred from assignment to DUINS.

f. All ADOs are prescribed by reference (c) for all health-related education, and reference (d) for non-health-related education. In the event of any conflict or ambiguity between this instruction and references (c) and (d), references (c) and (d) will be controlling.

6. Additional Requirements

a. Officers selected for DUINS who fail to select for promotion will be dropped from the program. Officers already enrolled in DUINS who fail to select for promotion will be considered for continuation in the DUINS program on a case-by-case basis.

b. Misconduct or a conviction in a civilian or military court prior to commencing or during DUINS may result in immediate disenrollment from a training program and the student will be responsible for reimbursing the government all tuition paid on their behalf.

c. Training must begin during FY 2015 (1 October 2014 through 30 September 2015). To be considered for a DUINS program, the applicant's projected rotation date must be within FY 2015 (no later than 30 September 2015).

d. Failure to remain within Navy physical readiness standards could result in disenrollment from a training program and the student will be responsible for reimbursing the government all tuition paid on their behalf.

7. Application for Master or Doctoral Degree Programs (FTOS and FTIS)

a. FTIS universities include NPS, U.S. Army Baylor University, and the Uniformed Services University (USU).

b. To apply for FTOS and FTIS degree programs, the applicant must forward a package to the Commanding Officer, Navy Medicine Professional Development Center (NMPDC), Code 1WGPMS, via the applicant's commanding officer and specialty leader. Enclosure (2) provides a sample DUINS application letter for degree training.

c. The application package must include the following:

(1) A letter of request with endorsement from their commanding officer and specialty leader. The forwarding endorsement must include an evaluation of the applicant's aptitude, initiative, and potential for completing the requested training. The commanding officer's endorsement must also include a statement certifying the applicant is within height and weight standards and has successfully passed the last Physical Readiness Test (PRT). Applications sent directly to NMPDC without endorsements will not be considered.

(2) A motivational statement (including an explanation of why the applicant is applying for training, their qualifications, the benefit to the Navy and Navy Medicine, and the applicant's anticipated payback tour).

(3) An acceptance letter from the educational institution. A provisional or conditional acceptance letter or statement from the institution indicating the applicant meets the minimum requirements for admission will suffice if the actual acceptance letter cannot be obtained from the college or university to meet the deadline. On-line programs are not acceptable. Accredited universities on probation are not acceptable.

(4) A resume of the applicant's professional and academic background with copies of transcripts for all completed formal college courses. Certified copies are not required.

(5) For FTOS requests, a copy of either the Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) score is required. A minimum acceptable GMAT score is typically 500, a minimum acceptable combined verbal and quantitative GRE score is typically 300. Test scores must be within 5 years of the DUINS board convening date. FTIS test score requirements are outlined in subparagraphs 7d-7f.

(6) A program description to include the title of the curriculum or course desired; a curriculum outline indicating educational emphasis and minor field if applicable; the name and address of the institution; the exact dates of program commencement and completion; and the estimated costs of tuition, registration fees, and textbooks for each term. (Note: Cost of textbooks is for record purposes only and is not a reimbursable expense for other than Army-Baylor first year students). The program duration calculation must include, as applicable, the residency requirement and the time required to complete an approved thesis or dissertation. FTOS requests must include a university program brochure.

(7) Copies of the applicant's last 5 years of fitness reports/evaluations or all fitness reports since commissioning, if less than 5 years, and Physical Readiness Information Management System (PRIMS) reports without social security number. Explain gaps greater than 90 days (e.g., extension letters, concurrent fitness reports, etc.).

(8) Three letters of recommendation.

(9) Copy of current Officer Summary Record (OSR) and Performance Summary Report (PSR).

(10) Other supportive documents (e.g., certificates, awards, etc.).

d. Army-Baylor Master of Health Administration (MHA) and Master of Business Administration (MBA) Programs

(1) Admission procedures can be found at: <http://www.baylor.edu/graduate/mha/>. Applicants must have a letter of acceptance or a conditional letter of acceptance from Army-Baylor stating the applicant meets minimum requirements for admission before the DUINS board convenes. To obtain a letter of acceptance, the applicant must forward an application

for admission to: Program Administrator, Army-Baylor Graduate Program in Health and Business Administration, AMEDD Center and School (MCCS-HGE-HA), Room 1411, 3151 Scott Road, Building 2841, Fort Sam Houston, TX 78234.

(2) Applicant for admission must hold either a baccalaureate degree or the first professional degree from an accredited college or university acceptable to Baylor University and must have a minimum undergraduate cumulative grade point average (GPA) of 2.9. Both the GRE and the GMAT are accepted by Baylor University for admission. The minimum acceptable GRE revised score for the MHA program is 300, while the minimum GMAT score for the MHA program is 525. For joint MHA/MBA students, the minimum acceptable GRE revised score is 310 while the minimum GMAT score is 575. Waivers for either the GRE/GMAT exam score or undergraduate GPA will be considered on a case-by-case basis for both programs. Test scores must be within 5 years of the DUINS board convening date.

e. USU Programs

(1) Admission procedures can be found at: <http://www.usuhs.mil/> under the “Admissions Graduate Education” tab. An electronic online application, accessed from their Web site, is all that is needed to be submitted. It should be submitted with all required documents no later than 1 January for matriculation in the summer or fall of that year. However, official transcripts and letters of recommendation hard copies are additionally required. The official paper documents (transcripts, letters of recommendation, etc.) may not be photocopied, scanned and e-mailed, or faxed. USU Graduate Education Officer requests that these documents be mailed to the applicant from the universities and recommendation letter providers and then sent together, unopened in a sealed envelope, to the Graduate Education Office, USU, Room A1045, 4301 Jones Bridge Road, Bethesda, MD 20814-4799. FAX: (301) 295-6772, phone (301) 295-9474.

(2) A copy of the GRE score is also required. A minimum acceptable combined verbal and quantitative GRE score is 300. Test scores must be within 2 years of the DUINS board convening date.

f. NPS. Admission procedures for NPS can be found at: <http://www.nps.edu/Academics/Admissions/Index.html>. NPS does not require a GRE or GMAT score. Candidates must have an Academic Profile Code (APC) for the program for which they are applying. Applicants shall forward all of their transcripts to NPS for review and assignment of an APC before requesting consideration for NPS selection. Mail transcripts to: Director of Admissions, Code 62, Naval Postgraduate School, 589 Dyer Road, Room 103C, Monterey, CA 93943. Before requesting an NPS program, the applicant should have some experience, if possible, within the specialty being requested, to allow for familiarization of program and specialty requirements.

g. Incomplete applications will not be forwarded to the DUINS board. The content of the DUINS application is the applicant's responsibility, just as it is the applicant's responsibility to ensure that their OSR and PSR are complete and up-to-date before the DUINS board convenes.

8. Application Procedures for Non-Degree Programs (Fellowships and Non-Degree Post-Doctoral Certification)

a. Non-Degree Programs fulfill unique requirements within the Navy Medical Department on an annual basis. Varying from year to year, they are intended to provide selectees "just-in-time," "state-of-the-art" training to meet a specific need within Navy Medicine. They are usually 1 to 2 years in length and have a pre-determined follow-on tour identified.

b. To apply for non-degree programs, the applicant must forward a package to the Commanding Officer, Navy Medicine Professional Development Center, Code 1WGP MSC, via the applicant's commanding officer and specialty leader. Enclosure (3) provides a sample DUINS application letter for non-degree training.

c. All non-degree program requests must include the following information:

(1) A letter of request with endorsement from the commanding officer and specialty leader. The forwarding endorsement must include an evaluation of the applicant's aptitude, initiative and potential for completing the non-degree program. The commanding officer's endorsement must also include a statement certifying the applicant is within height and weight standards and has successfully passed the last PRT. Applications sent directly to NMPDC without endorsements will not be considered for DUINS.

Note: If the applicant's specialty differs from the specialty in which the non-degree program is being offered, the applicant will have two specialty leader recommendations; one from the applicant's specialty leader, and one from the specialty leader sponsoring the non-degree program. The applicant must forward the request in the following order: applicant's commanding officer, applicant's specialty leader, and the specialty leader sponsoring the non-degree program.

(2) Motivational statement (including an explanation of why the applicant is applying for the non-degree program, their qualifications, the benefit to the Navy and Navy Medicine, and the applicant's anticipated payback tour).

(3) A resume of the applicant's professional and academic background. Copies of academic transcripts are not necessary.

(4) The title of the fellowship or non-degree post-doctoral certification being requested. Applications for multiple fellowships are authorized, but must be forwarded as described above in paragraph 8c. For non-degree post-doctoral certification requests, include a university program brochure. On-line programs and accredited universities on probation are not acceptable.

7 Apr 2014

(5) Copies of the applicant's last 5 years of fitness reports/evaluations or all fitness reports since commissioning, if less than 5 years, and PRIMS reports without social security number. Explain gaps greater than 90 days (e.g., extension letters, concurrent fitness reports, etc.).

(6) Three letters of recommendation.

(7) Copy of current OSR/PSR

(8) Other supportive documents (e.g., certificates, awards, etc.).

d. Incomplete non-degree program applications will not be forwarded to the DUINS board. The content of the application is the applicant's responsibility just as it is the applicant's responsibility to ensure that their OSR and PSR are complete and up-to-date before the DUINS board convenes.

e. Application to the Physician Assistant (PA) Orthopaedic Surgery Fellowship at Naval Medical Center Portsmouth. Following PA Specialty Leader review, applicant packages will be forwarded to the PA Orthopaedic Fellowship Selection Committee. This committee will be composed of the Orthopaedic PA Fellowship Program Director, Medical Director, and two Senior Orthopaedic Surgeons. The committee will review all applications and conduct interviews of each applicant and identify approved candidates for the program. Approved candidates will then be submitted to the DUINS board for consideration.

9. Application Submission Deadline. Applications for degree and non-degree programs must be received by the applicant's specialty leader by 1 June 2014. Specialty leaders must forward all reviewed packages to Navy Medicine Professional Development Center, Code 1WGPMSC, 8955 Wood Road, Bethesda, MD 20889-5628 no later than 1 July 2014. Incomplete applications will not be considered by the DUINS board.

10. Records Management. Records created as a result of this instruction, regardless of media and format, shall be managed per SECNAV M-5210.1 of January 2012.

11. Reports. The reports required in paragraphs 7(c)(7) and 7(c)(9), are exempt from reports control per SECNAV M-5214.1 of December 2005, Part IV, Paragraph 7p.
