**WHAT YOU  
REALLY WANT  
TO KNOW!**

# JSGMESB Process Overview

# What You Really Really Want To Know!

- + **GME TRAINS TO REQUIREMENTS!**
  - + Requirements defined by the Manning Control Authority
  - + Number of training billets fixed
  - + More approved training positions than authorized training billets
  - + Specialties with the greatest manning needs receive priority with training assets

# GME Billet Distribution Formula

Balance MTF & Operational  
Manning Requirements

Against

Available Billets

=

GME Billet Distribution

**(A.K.A – REALITY!)**

# What You Really Really Want To Know!

- + In-Service Interns: 248  
(258 total interns – 10 continuous contracts)
- + Incumbent Intern Selections: 79
- + Operational Requirement:
  - + Flight Surgery: 64
  - + Undersea Medicine: 24
