2004 Technical Reports

- Santoro, T., Kieras, D., & Pharmer, J. (2004). Verification and validation of latency and workload predictions for a team of humans by a team of computational models (1227).
- Lapsley Miller, J. A., Boege, P., Marshall, L., Shera, C. A., & Jeng, P. S. (2004). Stimulus-frequency otoacoustic emissions, validity & reliability of SFOAES implemented on mimosa acoustics SFOAEE measurement system v2.1.18 (1231).
- Lapsley Miller, J. A., Boege, P., Marshall, L., & Jeng, P. S. (2004). Transient-evoked otoacoustic emissions, preliminary results for validity of TEOAES implemented on mimosa acoustics t2k measurement system v3.1.3 (1232).
- Shobe, K. K., & Carr, W. (2004). Submarine information organization and prioritization and submarine officer of the deck experience (1234).
- Shobe, K. K., Fiore, S. M., & Carr, W. (2004). Development of shared mental models for submarine officers (1235).
- Watenpaugh, D. E., Quattroche, A. J., Bertoline, J., & Fothergill, D. M. (2004). Exercise aboard attack submarines: Rationale and new options (1237).

All Technical Reports

Listed by Author

The following list represents the reports prepared at NSMRL. This report index is part of one large www page. Reports can be found by selecting the letter of the last name of the primary author from the below series of capital letters. Reports may also be found with the "Find" feature of some www browsers (press CRTL-F and type the keyword on the menu that appears). This list is subject to revision.

Index of First Author Names

A

- Adams, R., J and W. Stanmeyer, R (1959). "Antarctic day of a Naval dentist." **AD 255548**(325).
- Adams, R., J and W. Stanmeyer, R (1960). "Effects of prolonged antarctic isolation on oral and intestinal bacteria." **AD 639119**(335).
- Adams, R., J and W. Stanmeyer, R (1961). "The effects of a closely supervised oral hygiene program upon oral cleanliness." **AD 675624**(365).
- Adams, R., J (1962). "Antarctic stress and the teeth." **AD 280729**(370).
- Adams, R., J and W. Stanmeyer, R (1962). "Antarctic stress and vitamin requirements." **AD 675391**(375).
- Adams, G., M (1974 (never published as an NSMRL report)). "Shallow habitat air dive (SHAD I): Thirty days at a simulated depth of fifty feet of seawater with excursions between 5 and 235 feet." (775).
- Albert, P., R (1974). "Lenticular opacities and the evaluation of personnel for the Naval Nuclear Propulsion Program." (790).
- Alfandre, J. (1965). "Aerotitis media in submarine recruits." **AD 636509**(450).
- Alfonso, P., J and J. Harris, D (1972). "The use of circumaural earphones for attenuating ambient noise in bone conduction audiometry." **AD 759726**(728).
- Alvis, H., J (1951). "Breath-holding breakpoint at various increased pressures." **ATI-136615**(177).
- Alvis, H., J (1952). "Manual of free escape from submarines." **ATI-139475**(184).
- Alvis, H., J (1952). "Theoretical considerations of the use of the air-filled submarine escape appliance from great depths." **ATI-139627**(185).
- Alvis, H., J (1952). "Carbon monoxide toxicity in submarine medicine." **AD 222861**(208).
- Arnest, R., T (1961). "Atmosphere control in closed space environment (submarine)." **AD 270896**(367).
- Arthur, D., C (1980). "Hypothermia: An educational manual for instruction of the fleet duty corpsman accompanying personnel performing operations in cold water or cold weather." **AD A093091**(943).
- Arthur, D., C (1981). "Adjunctive treatment protocols for the computer-assisted diagnosis program." **AD B061361L**(961).
- Arthur, D., C (1981). "Computer-assisted diagnosis program for acute abdominal pain." **AD B061360L**(965).
- Arthur, D., C and R. Margulies, A (1982). "The pathophysiology, presentation, and triage of altitude-related decompression sickness associated with hypobaric chamber operation." (948).
- Arthur, D., C (1982). "Computer-assisted diagnosis program for acute abdominal pain." (974).
- Auwood, J. (1961). "Methods of computing simple statistics by means of the Type 026 Cardpunch and type 082 card sorter." **AD 267232**(349).

B

- Baker, G., T and K. Schaefer, E (1969). "Effects of chronic hypercapnia on blood volume, plasma volume, and red cell volume in relation to the submarine environment." **AD 715628**(604).
- Bartlett, N., R (1943). "General procedure for investigating personnel selection tests at the U." **AD 638158**(25).
- Bartlett, N., R (1943). "Reliability coefficients and intercorrelation coefficients for personnel selection tests at the U." **AD 622176**(26).
- Bartlett, N., R (1943). "Preliminary analysis of the New London Submarine Performance Report." **AD 638157**(27).
- Bartlett, N., R (1943). "Investigation of the Harrower-Erickson modification of the Rorschach

- Test." **AD 663536**(28).
- Bartlett, N., R (1943). "Neuropsychiatric misfits screened by the personal inventory and by the New London NDRC confidential questionnaire." **AD 622179**(29).
 - Bartlett, N., R (1943). "The relationship of scores on Form 3, Officer Qualification Test, to grades in the Officers' Submarine School, New London, Conn." **AD 622186**(32-).
 - Bartlett, N., R (1944). "Analysis of attrition in the submarine school and of factors contributing to attrition: School drops, school referrals, and courts-martial." **AD 663537**(41).
 - Bartlett, N., R (1944). "Comparison of results obtained on the experimental form of the Officer Mechanical Aptitude Test, Form X-1 (NavPers-16640) with (1) results of the Officer Qualification Test, Form 3 (NavPers-16563) and (2) grades in submarine school." **AD 622215**(43).
 - Bartlett, N., R (1944). "Intercorrelations of NDRC selection tests, and correlations of these tests with the aptitude scores recorded on the Enlisted Personnel Qualifications Card." **AD 622214**(46).
 - Bartlett, N., R (1945). "Analysis of disqualifications for submarine school according to source from which men are received." **AD 638162**(53).
 - Bartlett, N., R (1945). "Correlations of tests with grades in submarine school." **AD 638199**(54).
 - Bartlett, N., R (1945). "Disqualifications for submarine school of men processed by Bainbridge Selection Procedure." **AD 492083**(56).
 - Bartlett, N., R (1945). "Submarine duty completed by enlisted personnel ordered to New London for assignment to new construction." **AD 638202**(62).
 - Bartlett, N., R and A. Malinosky, T (1945). "Analysis of rejections in examinations for submarine school." **AD 492085**(63).
 - Bartlett, N., R (1945). "Intercorrelations of items of the NDRC personal inventory and correlations of these items with Otis Intelligence Scores." **AD 492086**(64).
 - Bartlett, N., R (1945). "An evaluation of the Officer Classification Test as a device for selecting officer candidates for submarine school." **AD 663528**(67).
 - Bartlett, N., R (1945). "Investigation of the combat information center test (NavPers 16680) as a selection device for enlisted submarine radar school." **AD 663541**(80).
 - Bartlett, N., R (1946). "An investigation of the billet qualification Blank (NavPers 16418) for its suitability with combat experienced candidates for submarine training." **AD 663514**(84).
 - Bartlett, N., R (1946). "Description of an abstract of the service record for analysis of examinations of experienced submarine personnel received for reassignment." **AD 663516**(86).
 - Bartlett, N., R (1946). "Average Navy Basic Battery Aptitude Test scores for enlisted submariners." **AD 663517**(87).
 - Bartlett, N., R (1946). "An evaluation of shipboard indoctrination of officer candidates for Submarine training." **AD 102870**(91).
 - Bartlett, N., R (1950). "Review of research and development in examination for aptitude for submarine training, 1942-1945." **TIP-U-12724**(153).
 - Barton, T., C and B. Weybrew, B (1957). "A short summary of the findings of the 265-hour completely submerged habitability cruise made by the USS NAUTILUS (SSN-571)." **AD 224399**(280).
 - Bartus, R., T (1973). "A feline head-holder and body-restrainer for use in chronic visual electrophysiological research." **AD 770870**(745).
 - Bartus, R., T and S. Ferris, H (1973). "A modified method of implanting monopolar cortical electrodes in large laboratory animals." **AD 775870**(750).
 - Bartus, R., T (1973). "Evidence for a possible memory impairment resulting from nitrogen narcosis in the rhesus monkey." **AD 775871**(751).
 - Bartus, R., T (1973). "Behavioral effects of nitrogen narcosis in the Rhesus Monkey." **AD 775663**(755).
 - Bartus, R., T (1973). "Nitrogen narcosis and visual evoked responses in the unanesthetized cat." **AD 775683**(757).
 - Bartus, R., T and S. Ferris, H (1974). "Effects of repetition and dark adaptation on visual evoked responses in the rat." **AD 780060**(770).

- Bateman, J., G. R. Hayter, et al. (1947). "A preliminary study of the medical aspects of schnorchel Operations." **AD 224515**(111).
- Beals, L., S and W. Verplanck, S (1943). "Further report on the testing of efficiency of night vision: Comparative reliability and validity measures of the adaptometer and the self-luminous tele-silhouette adaptometer." **AD 622170**(14).
- Beare, A., N. R. Biersner, J, et al. (1981). "Work and rest on nuclear submarines." **AD A097869**(946).
- Beare, A., N and G. Moeller (1981). "Operability evaluation of the ISPE control structure." **AD A101227**(951).
- Becker, N., H (1961). "The cytochemistry of anoxic and anoxic-ischemic encephalopathy in rats, II." **AD 675652**(362).
- Becker, N., H and S. Goldfischer (1962). "A cytochemical study of the neuronal golgi in experimental diphtheritic encephalitis in rats." **AD 675629**(371).
- Becker, N., H (1962). "Cytochemistry of anoxic and anoxic-ischemic encephalopathy in rats: III." **AD 675613**(376).
- Becker, N., H and J. Galvin, F (1962). "Effect of oxygen-rich atmospheres on cerebral lipid peroxides." **AD 409811**(393).
- Belmont, A., P and W. Shiller, R (1970). "The effects of fleet ballistic submarine patrols on oral health." **AD 716765**(640).
- Benedetto, J. L., Russotti, J. S., Harvey, J. T., and Hanna, T. E. (1995). "At-sea tests of headphones and active filters." (1195).
- Bennett, B., L and K. Bondi, R (1981). "The relationship of job performance to physical fitness and its application to U." **AD A108198**(962).
- Bennett, B., L, C. Schlichting, L, et al. (1985). "Cardiorespiratory fitness and cognitive performance before and after confinement in a nuclear submarine." (1030).
- Bennett, B., L (1986). "Physical fitness in a submarine community as determined by the US Navy Health and Physical Readiness Test." **AD A171020**(1074).
- Biersner, R., J and W. Hunter Jr, L (1983). "Comparison of diving experience factors between divers classified as positive and negative for bone cysts." **AD A129820**(1005).
- Biersner, R. and S. Gilman (1986). "Factors associated with hair levels of cadmium and lead among US Navy submarine personnel." **AD B106919**(1084).
- Biersner, R. (1987). "Emotional and physiological effects of nitrous oxide and hyperbaric air narcosis." (1091).
- Blanchard, A., J (1953). "A survey of the submarine medical allowance and its usage." **AD 222862**(225).
- Bloom, J., D (1970). "Some considerations of establishing divers breathing gas purity standards for carbon monoxide." **AD 721680**(629).
- Bloom, J., D (1970). "Maximum permissible limits of contaminants for divers breathing gas: An overview." **AD 721681**(631).
