

REPORT YOUR OTHER HEALTH INSURANCE (OHI)

TRICARE beneficiaries with other health coverage must disclose that OHI information.

For non-active duty service members, TRICARE is the last payer after all health benefits and insurance plans, except for Medicaid, TRICARE supplements, the Indian Health Service and other programs and plans as identified by the Defense Health Agency.

OHI applies to health care services received from civilian providers and at military hospitals and clinics.

You can report your OHI through the following:

- **Online**—complete the South Region *TRICARE Other Health Insurance Questionnaire* at www.tricare.mil/forms or enter the information via Beneficiary Web Enrollment at www.dmdc.osd.mil/appj/bwe.
- **By phone**—Call Humana Military at 1-800-444-5445
- **In person**—Visit your military hospital or clinic or a uniformed services identification card-issuing facility.

Follow your OHI's rules for filing claims and always file your claims with your OHI first.

For more information about using your TRICARE benefit when you have OHI, visit www.tricare.mil/ohi.

Note: TRICARE is the primary – the only payer for active duty service members
