WHAT EFMP CAN DO

- Non-medical case management: the coordination & provision of information-and-referral services designed to empower families in making informed decisions
- Individualized Services Plan to identify needs and/or goals as a family & develop strategies to achieve those goals
- Assist with the navigation of military & community support systems
- Offer a connection to resources & continuity of care at every duty station
- Provide information, education, guidance, & assistance so that you will be able to apply your own problem-solving skills to your unique life circumstances.
- Provide category letters for enrollment in Tricare ECHO
(note: EFMP does not handle Tricare enrollments or any other Tricare matters)
- Provide information on possible respite care, priority placement into military housing, or priority placement and/or accommodations at Child Development Centers.
(note: EFMP does not handle the placement process or guarantee placement)
- Offer a website which describes upcoming trainings or events & provides a number of useful resources:
<http://www.med.navy.mil/sites/pcola/Patients/Pages/Exceptional-Family-Member.aspx>
- If you have additional needs or questions, please contact us at 850.505.6822. Our services are individualized & we stand ready to serve you.

WHAT EFMP CANNOT DO

- EFMP is not responsible for coordination & follow-up of medical treatment.
- EFMP does NOT provide direct services such as therapy, ongoing behavioral interventions, diagnosis/evaluations, or respite care
- EFMP cannot intervene on the issues pertaining to the Command, leave, or detailing matters.
