WASHINGTON, DC 20372-5300

IN REPLY REFER TO

5040

Ser 12UM00IG177

4 Jun 12

From: Medical Inspector General

To: Commanding Officer, Naval Hospital, Sigonella, Sicily

Subj: MEDICAL INSPECTOR GENERAL INSPECTION OF U.S. NAVAL HOSPITAL,
SIGONELLA, ITALY 10 – 19 APRIL 2012

Ref: (a) MEDIG ltr 5040 Ser 11UM00IG123 of 5 Mar 12

Encl: (1) Inspection Report

1. Enclosure (1) is provided in support of the inspection performed for the Chief, Bureau of Medicine and Surgery and conducted per the provisions of reference (a). Enclosure (1) is the inspection report and contains requirements for improvement, supplemental findings, opportunities for improvement, and Navy Medicine systemic issues. Additionally, a list of Best Business Practices in Navy Medicine is offered to assist you with resolving requirements for improvements (RFIs) and supplemental findings. Implementation Status Reports (ISRs) with supporting documentation to demonstrate compliance need to be submitted to my office no later than 15 August 2012 using OPNAV Form 5040/2, which can be found at <http://www.ig.navy.mil/Documents/Forms/ISR.DOC>.

2. The information contained herein relates to internal practices of the Department of the Navy and is considered privileged internal communication. This report is not releasable without the specific approval of the Medical Inspector General. Its contents may not be disclosed outside original distribution, nor may it be reproduced in whole or in part. All requests for this report, extracts therein, or correspondence related thereto shall be referred to the Medical Inspector General.

3. My point of contact is Captain Sara Marks, NC, USN who may be reached at (301)295-0930, DSN: 295-0930 or email: sara.marks@med.navy.mil.
