Director of Dental Services (DDS):

Submission of an application for command screening implies that you are worldwide assignable and willing to accept any assignment, unless otherwise listed below. All applicants must be with Body Composition Assessment standards and have no Physical Fitness Assessment failures in the last six cycles.

List any constraints to worldwide assignability:

Signature

Date

### ADMINISTRATIVE GUIDANCE

- Update your record. Your BUPERS record will be the primary screening tool used for the Milestone Screening Board.
- Upload your application via Navy Medicine's Executive Medicine sharepoint site.  
<https://esportal.med.navy.mil/bumed/m00/m00c/Pages/executive-medicine.aspx>
- All packages must be received by Navy Personnel Command NLT the date outlined in the BUMEDINST 1412 series to be eligible for board consideration. **Incomplete and/or late packages WILL NOT be submitted to the screening board.** If you have questions with the application process, please contact Navy Personnel Command at (901) 874-4053. If you have questions about screening suitability, please contact your detailee or your Deputy Corps Chief.
