NAVAL MEDICAL CENTER PORTSMOUTH, VIRGINIA
NAVY CLINICAL PSYCHOLOGY POSTDOCTORAL FELLOWSHIP

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	<div><input type="checkbox"/> Yes</div> <div><input checked="" type="checkbox"/> No</div>
If yes, provide website link (or content from brochure) where this specific information is presented:	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The NMCP Clinical Psychology Postdoctoral Fellowship Training Program prepares psychology postdoctoral fellows to function competently, effectively, and ethically in professional roles that combine clinical service and scholarly inquiry. The program aspires to prepare fellows to secure professional licensure as psychologists, and to transition successfully upon completion of the program to employment as clinical psychologists in the United States Navy. Those who complete this fellowship will gain competencies that are consistent with American Psychological Associate (APA) training standards, and generalizable to a wide range of settings and diverse patient populations.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	No		Amount:
Total Direct Contact Assessment Hours	No		Amount:

Describe any other required minimum criteria used to screen applicants:

1. U.S. citizenship required.
2. Applicants must meet all age, security background check, and medical requirements for commissioning as officers in the U.S. Navy. (AGE LIMIT: No more than age 41 at the time of commissioning).
3. APA-accredited doctoral program in clinical or counseling psychology required.
4. APA-accredited internship is required.
5. Applications must be submitted with the help of a Navy Medical Programs Officer Recruiter.
