Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The NMCP Clinical Psychology Internship Program combines clinical service training and scholarly inquiry to prepare diverse psychology interns for a career of life-long learning, and to function as effective and ethical generalist psychologists in a wide range of settings and sociocultural diverse patient populations. Training competencies are consistent with American Psychological Associate (APA) Standards of Accreditation Graduates of the program will be equipped to secure professional licensure as generalist psychologists, and to transition successfully to employment as a US Navy Officer and Navy psychologist. The aims of the internship training program are to develop professional competency at the developmental level of readiness for entry to practice through the integration of evidenced based practice and research; facilitate the transition of an intern from student, to a broadly trained autonomous and responsible practicing generalist psychologist, who is able to effectively contribute to an interdisciplinary team; and equip the intern with additional knowledge and skills needed to practice competently within the Navy/military environment (e.g., unique military populations, personnel evaluation skills, and fitness for duty evaluations).

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	No		Amount: N/A
Total Direct Contact Assessment Hours	No		Amount: N/A

Describe any other required minimum criteria used to screen applicants:

1. U.S. citizenship required.
2. Applicants must meet all age, security background check, and medical requirements for commissioning as officers in the United States Navy. (AGE LIMIT: No more than age 41 at the time of commissioning).
3. APA-accredited doctoral program in clinical or counseling psychology required.
4. Comprehensive examinations passed by APPIC application deadline.
5. Dissertation proposal approved by APPIC ranking deadline.
6. Given the predominantly adult focus of the Navy internship, and of Navy Psychology in general, we specifically seek applicants with practicum experience in generalist clinical evaluation, assessment and psychotherapy with adults. Some experience with adults with major psychopathology is desirable but not mandatory. Applicants with minimal experience with adults, or with adult experience only in narrowly focused specialty areas such as neuropsychological assessment, would be at a significant disadvantage in our review.

Financial and Other Benefit Support for Upcoming Training Year

Annual Stipend/Salary for Full-time Interns	\$100,156.75 (with dependents); \$97,415.84 (without dependents)	
Annual Stipend/Salary for Half-time Interns	N/A	
Program provides access to medical insurance for intern?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
If access to medical insurance is provided:		
Trainee contribution to cost required?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Coverage of family member(s) available?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Coverage of legally married partner available?	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Coverage of domestic partner available?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
Hours of Annual Paid Personal Time Off (PTO and/or Vacation)	30 days	
Hours of Annual Paid Sick Leave	As needed	
In the event of medical conditions and/or family needs that require extended leave, does the program allow reasonable unpaid leave to interns/residents in excess of personal time off and sick leave? **	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
Other Benefits (please describe): 1. Dissertation release time 2. Graduation release time 3. Full Medical and Dental benefits 4. Life Insurance 5. Salary includes tax free housing allowance		

** U.S. Navy has no unpaid leave status; such situations would be handled with leave, convalescent leave, or limited duty status for intern medical conditions (all with pay), or assessed for paid humanitarian leave for family needs. In any case, interns remain in a paid status, though internship completion may need to be extended.
