

NAVY BLOODBORNE INFECTION MANAGEMENT CENTER

January 2021

"Leadership is a two-way street, loyalty up and loyalty down. Respect for one's superiors; care for one's crew."

Rear Admiral Grace Hopper

WARM WELCOME TO NBIMC

The NBIMC team would like give a warm welcome to our new colleagues;

****Ms. Devon Mayo - Secretary**

****Ms. Denise Chambers - Program Analyst**

We are looking forward to their added knowledge and skills with equipping NBIMC to further our mission in service.

****Note for MRRS users****

Please double check barcode numbers to ensure that they are entered in MRRS to exactly what is on the tube. There have been more typos lately leaving these specimens to get discarded because CDD never receives the right order.

*NBIMC does not control supplies logistics; the Center of Disease Detection is the main communication line to submit supply requests. For all users requesting supply from CDD, please contact:

Dept. E-Mail: military@cddmedical.com

Dept. Phone #: (877) 233-1337

*NBIMC personnel still in full telework capacity, if you have an emergency issue, please contact NBIMC work cellphones.

Or send an email to our group: dha.bethesda.ncr-medical.mbx.nbimc@mail.mil, and someone in our team will contact you within 24 hours.
