

NAVY AND MARINE CORPS PUBLIC HEALTH CENTER
IMPROVING READINESS THROUGH PUBLIC HEALTH ACTION

It's time to complete the HRA!

The Health Risk Assessment (HRA) is:

- Anonymous;
- Intended to identify specific health risks for our command;
- Important so we can provide credible sources of health information;
- A tool for dialogue with a healthcare provider if so desired.

We want to encourage and empower you to better manage your personal health.

Our Command UIC:
