FOOD FACILITY RISK ASSESSMENT SURVEY (Instructions for completing this form are provided in the Tri-Service Food Code)											
1. ESTABLISHMENT NAME			FOOD	2. ESTABLISHMENT ADDRESS (Street, city/state/zip, installa					llation)		
			SERVICE	-	1						
			RETAIL STORE	4 0	FFICIAL E-MAIL						
3. PERSON IN CHARGE				4. 0							
5. TELEPHONE NUMBER				6. H	6. HOURS OF OPERATION						
7. RISK CATEGORY POINTS (Total score from			Total score from blo	ck 13)							
	Extremely High 61 o			Monthly				-			
<u> </u>	High 46 to 60				Quarterly						
	Moderate		35 to 45		Semiannually						
	Low	v 34 or less Ann				ually					
RISK FACTORS						YES	NO	POINT VALUE (For yes response)	AWARDED POINTS		
 FOOD PROPERTIES (Identify the types of foods prepared and served, or packaged foods that are sold. Various levels of specific foods. Foods are grouped by common food risk properties that are known to contribute to the likelihood of foodbody. 									ated with		
a. Food from non-a								10			
	oked protein-rich food (e.g. sing unpasteurized eggs)	shellfish	, sushi, finfish, Carp	accio, St	eak Tartar, Caesar			3			
(1) Wild							3				
c. Game animals (2) Commercially raised							1				
	. fish, pasta, meats, poultry							4			
e. Fully cooked protein-rich foods (e.g. beef, pork, finfish, fresh shellfish, eggs)								2			
f. PHF(TCS) foods prepared from raw ingredients on site (e.g. gravy, sauces, stews, soups, beans, refried bean, rice, cooked pasta, tofu/soy products, French toast, omelet, cook-to-order eggs, quiche, potato, macaroni or tuna salad, ethnic foods)								6			
g. Dairy products (e.g. milk, cheese, yogurt, butter)								2			
h. Commercially processed items (e.g. canned or frozen finfish/shellfish; deli meats/cheese; cream pies, pastries; fresh /frozen pizza, hotdogs, etc.)								2			
i. Cooked or raw cut fruits and vegetables								4			
j. Ready-to-eat (uncut/whole) fresh fruits and vegetables (e.g. apples, bananas, fresh produce)								2			
 Ready-to-eat PHF(TCS) foods (e.g. hot/cold sandwiches; foods in hot hold: hotdogs, pizza, chicken wings, etc.; commercial bulk salads: potato, macaroni, tuna) 								3			
I. Vending and snack foods (e.g. canned soda, candy, chips, and other non-PHF)								0			
m. Food preparation in the field using Operational Rations (Only check this box for								2			
a field kitchen or field foodservice operation. (2) Individual ration			s (e.g. MREs, cold weather, patrol, humanitarian rations).				0				
n. Retail Sales (Applies to a shoppette, mini-mart, commissary, gas station convenience store, and other similar non-food service establishments)											
(1) Store only distributes packaged foods, hot beverages, or bakery items not prepared on site. There are no food concessions, self-serve, or sale of unpackaged RTE PHF(TCS) foods.								1			
	(2) Sandwiches offered for self-service : commercially sealed chilled; loosely wrapped hot or cold							6			
For all other retail stores, check all that apply for items (2)-(4)	(3) Limited food preparation on site (e.g. baking frozen items/pre-made dough, heating RTE foods: hot dogs, burritos, pizza); or basic Deli operations [see instruction for definition].							12			
	(4) Contains food concessions or operations with expanded food preparation (e.g. Bakery mixes raw ingredients; Deli prepares own salads, roasted meats/ rotisserie chicken, soup/salad bar, meals to go; Seafood department; Sushi bar)							15			
The points assessed in item 8n. Retail Sales are in addition to those awarded for the types of food listed in items 8al. and food operation characteristics identified in item 10. (Do not assess points in 8n. for food service establishment)
