

NAVAL HEALTH CLINIC
TAILORED PQS LETTER
NAVEDTRA 43699-2A

1. NAVEDTRA 43699-2A has been reviewed by one or more qualified individuals. Per PQS introduction, any portions covering systems and equipment not applicable in this unit may be deleted. Any line items, fundamentals, systems and watchstations/workstations that are unique to this unit may be added. The package should be reviewed by the designated department head and required changes approved by the Commanding Officer or designated representative. Retain this approved master copy on file for use in tailoring individual packages.

2. All line items are to be completed to achieve final qualification except for the following:

a. Delete the following line items due to non-applicability:

(1) 101.11 (example if the entire line item is eliminated)

(2) 102.3.b (example if only one portion of that line item is eliminated)

b. Add the following line items due to uniqueness of the command:

(1) 104.15 (explain what the requirement is for this added line item)

3. QUALIFICATION TIME LIMITS. Estimated completion time for qualifications can be found in BUMEDINST 1510.27.

4. EXAMINATION REQUIREMENTS: (if implemented)

a. Written Examination

(1) (Document requirements if your command is requiring a written examination)

(2) (Document who can monitor the examination)

b. Oral Examination Board

(1) (document requirements if your command is requiring an oral board)

(2) (document who will conduct the oral board)

5. FINAL QUALIFICATION AUTHORITY: The below personnel is designated as the final qualifier.

a. (List names)
